IAFEI World Congress

8 July 2016

Dear Colleagues

## INVITATION TO ATTEND THE 46<sup>TH</sup> IAFEI WORLD CONGRESS

It is our privilege and special pleasure to invite you to the **46th IAFEI World Congress**.

The International Association of Finance Executives Institutes (IAFEI) has chosen **Cape Town, South Africa** for this year's event on **9 - 11 November 2016**. Known as the Mother City, Cape Town is the perfect setting to host an international gathering of CFOs and senior finance executives.

Finance executives from all continents will gather at the five-star Cape Town International Convention Centre to share knowledge and expertise, reflect on history, assimilate new information and delve into the future of the finance profession. Cape Town, with its beautiful natural environment, rich history and many tourist attractions, is an ideal setting for finance executives and their families to share three unforgettable days on the southernmost tip of Africa.

The Congress programme is a balance between policy considerations driving or hindering global and African growth and traditional areas of finance executive management.

The Congress also includes a full partner/spouses/family programme.

The **Southern African Institute for Business Accountants (SAIBA)** is one of the youngest members of IAFEI and very honoured to host our sister IAFEI member bodies in Cape Town. Cape Town is second to none as a congress venue and tourist attraction and we invite you to experience true African and Capetonian hospitality.

I look forward to meeting you at the Congress, 9-11 November 2016, in Cape Town!

The Congress website is available here: [www.iafeiworldcongress.com](http://www.iafeiworldcongress.com) and further elaborates on the Congress theme, programme, venue and contact details.

Best regards
