DOG POLICY

DOGS WILL NOT BE LEFT ALONE IN THE MOTEL ROOM

The Foot of the Mountain Motel is proud to be one of the few properties in Boulder that allows dogs*. The following is an outline of our policies related to dogs but please note that we reserve the right to prohibit/expel any dog that we believe is negatively impacting the safety or peace of other guests.

When the dog is outdoors, it must be on a leash and attended at all times. The dog will be "curbed" only in the open area behind units 1-10 accessible by the bridge between units 5 & 6. A pooper-scooper is available 24 hours a day to assist you in cleaning up after your pet. The Pet Owner assumes all liability for any damages to, or additional cleaning of, the Foot of the Mountain Motel, caused directly by your pet. **The Foot of the Mountain Motel charges \$8.00 (+tax) per night/per dog. We also take a \$50.00 dog-deposit at check-in, which is refundable at checkout only after management has checked the room for damages and/or cleanliness.** The Foot of the Mountain Motel will not be responsible for accidents or injury to or caused by the pet or loss of pet.

*Two dogs maximum per room. No dogs allowed in the Hideaway or Flagstaff Suites. No other types of pets are allowed in guest rooms.
