Excerpts from the Ministry

The ground of the church is the key to knowing the church in today's chaotic situation; in order to know the church, we must recognize the ground of the church.

We need to know the difference between the ground of the church and the foundation of the church.

The ground is much more important to a local church than its condition.

The local ground of the church is basically the unique oneness of the Body of Christ practiced in the local churches.

We need to see that the ground of the church, the genuine ground of oneness, is intrinsically related to life.

In the Lord's recovery, we take the lead to stand on the unique ground of the church, the genuine ground of oneness.

(Excerpts from msg 8 of the Fall 2015 ITERO Training)

Hymns, #831

Lord, help us ever strive to keep
This unity by taking
The Church's ground of unity,
The Body-life partaking,
That all Thy heart's profound desire
May fully be effected,
And God's eternal purpose may
Completely be perfected.
