# Apprenticeship Awards Celebration October 27, 2017

## Instructor Award

Instructors are key to the success of an apprentice's technical training. Apprentices are asked to nominate an outstanding instructor who taught theory, shop, or a combination of both in an approved apprenticeship technical training program between July 1, 2016, and June 30, 2017 at institutions contracted by the Saskatchewan Apprenticeship and Trade Certification Commission.

The nomination will determine that the instructor:

- Goes above and beyond the requirements
- Has excellent presentation skills
- Is fair, approachable, professional and firm.

### Nomination Instructions

- All four questions must be clearly and thoroughly answered. Well thought-out answers contribute to the success of a nomination.
- Provide as much information as possible, to help the selection committee consider the instructor's qualifications for the award.
- Extra sheets of paper may be attached to the nomination form to expand on the questions. Please do not include additional documents, such as letters of reference.
- Only one instructor may be nominated per form.
- The nomination form must be signed to be considered.
- The nomination form must be received by **September 12, 2017** to be considered.
