Introduction slides with editable text boxes

When you see the word

READY

get ready to listen and read
the problem. You can get
your white board and
marker ready. This is your
signal to erase your board
if needed.

When you see the word

SET

you can start working
out the problem and
showing your answer on
your white board.

© smartboardsuper teacher.com

When your
answer is
ready, put
the white
board under
your chin with
your writing
facing you.

© smartboardsuper teacher.com

When you see the word

SHOW

hold up your white board
and show off your
answer. Make sure your
teacher can see it.

Practice question with step-by-step instructions

**Let's
Practice!**

Ready

Erase your board if
needed and read the
question.

Count the coins and write the
amount in cents and/or dollars

Set

Now work out the problem on
your white board. When you
have your answer ready, put
the white board under your
chin with your work facing you.

Count the coins and write the
amount in cents and/or dollars

Show

Show off your answer!
Hold up the white board so
your teacher can see your
work. Don't worry if it's
wrong. Mistakes are proof
that you are trying!

Count the coins and write the
amount in cents and/or dollars

Answer

Answers are
written in 3
different ways.
Try to write the
answer in as
many ways as
you can before
your teacher
says "SHOW!"
