The truth about hardship is maybe the hardest thing we face as Christians. Romans 5:1-5

Prayer: Father I want to look like you in every way. In my heart, in my thoughts, in my spirit, and in my actions. Lord I give You the rest of my life. Take every opportunity and refine me until my potential character becomes my proven character. Lord I give you permission to test my faith as you see fit. Father this prayer seems dangerous and everything in me is saying to stop and play it safe. I know that to grow as you want me to grow I must not fear anything before me, but I must press into You and love You more. Help me to see with Spiritual Eyes what you can make me into. Help me see the power of Jesus and His resurrection, so I may be raised out of Your testing into the character of Jesus.
