
Going Nowhere Without God

Verse 1

I might make a living with what I get.
I make a life by what I give.
I see giving is how Jesus lived out all his life
So I can know God's gift of love.

Chorus 1

I'm going nowhere in my life without you, God.
I'm going nowhere in my life
If I can't declare
Your love and your care.

Verse 2

Jesus bore the fickle accolades of men.
He knew the crowd would turn from welcoming.
So he taught the twelve disciples all about God's love
To bring vision to worthless ways.

Chorus 1

Bridge

I'm sorry for bad things that I've done.
Instead I want to shine with your love.
I want to give my life
To share with others your truths.

Verse 3

I've got to let go of my selfishness.
It has no place when I'm working for you, God.
I've got to make your love shine from me each day,
Live to be fruitful by lighting the way.

Chorus 1

Chorus 2

I'm going nowhere in my life without you, God.
I'm going nowhere in my life
Unless I give it to you
And shine with your truths
Against which nothing compares,
And declare your love and your care.
