

# Rochester Duplicate Bridge Club

## October 2020

### Covid 19 edition

Fall has arrived, and with it, our shine online, thanks to the work of bridge family!

club continues to flourish and many volunteers. We are a true

Matt Belau, webmaster, has added a link on the website, taking you to a heartwarming article on Gretchen and Andy Anderson. It is also published in the September issue of Rochester magazine. It is a tribute to their perseverance and optimism in a horrible situation. Thank you, Gret and Andy, for being part of our bridge family!

Once again, I am reminding you that BBO is no longer automatically loading a convention card. You and your partner(s) need to fill one out. It's easy – there are templates available that you can customize to your partnerships. Our website also has a tutorial that will guide you through the process. Having a convention card is an ACBL requirement, both in person and online. If you have questions or need help, please give me a call.

Some special online games are tentatively planned for October – October 15-18 - an online regional (our club games continue as usual) and October 26-Nov. 1 - Club Appreciation games with enhanced master points. When I receive specific details, I will let you know.

Happy Halloween! Sue Greenberg, Club Manager

Quote for the Month: “Twenty years from now you will be more disappointed by the things you didn’t do than by the ones you did do. So throw off the bowlines. Sail away from the safe harbor. Catch the trade winds in your sails. Explore. Dream. Discover.”

Mark Twain

**Take a chance, get online! Play against better players (open games). Ask questions after the hands are done.**
