WINE & DINE FOR 10 WITH LIVE MUSIC AT TABLE 13

Table 13
Fine Dining * Music * Cocktails

Make it an occasion to remember as you and your guests are wined and dined at Table 13, voted Addison's favorite fine dining and live entertainment venue. You'll be treated to a vintage-inspired specialty cocktail, and a four-course dinner for 10, exquisitely prepared and paired with the finest wines.

Presented in the private Continental Room, you'll relish the distinctive, upscale atmosphere of Table 13, reminiscent of the early 1960s.
