# *Come As We Are*

## Verse 1

We reach out to the one who took on our human-ness,  
Yet walked upon the sea and ordered the storm to rest.  
We reach out humbly to God's son  
Who walked shores of Galilee  
Teaching all to see:

## Chorus

We can come to God as we are.  
Our souls rejoice that we have God's Spirit  
To walk with us.  
We can come to God as we are,  
We will heed the call of God's Spirit  
To walk with us, to speak with us

## Verse 2

We listen hard for our direction from up above.  
Your still small voice will prompt the way and confirm your love  
We reach out for your light to shine  
On all we can do and show.  
You want us to know:

## Chorus

## Bridge

We can come  
We can come as we are  
We can come  
And know you just as we are

## Verse 3

We see that people's basic needs are much the same  
It matters little: colour, status, name or fame.  
We touch on to the hem of your mind  
Aware that our soul's in need  
Praying you intercede

## Chorus

Come as we are
