
Mystery

Verse 1

You are a mystery without dimension:
Creator, majestic beyond my comprehension.
All knowing and loving you're without a stop.
I acknowledge and worship you, awesome God.

Verse 2

The son that you fathered has shown me the way
To live and to worship and to hear what you say.
His words and deeds have been well written down.
He's risen to share in your heavenly town.

Chorus

For you might be three aspects of spiritual form.
Hard to explain from my human norms.
Help my wonder, help my faith.
Help my trust and accept my praise, my praise.

Verse 3

Your presence is with me throughout the day.
Your spirit's available whenever I pray.
I know that you're looking out for me right now
The physical science I wonder at "how?"

Chorus

Chorus & ending

For you might be three aspects of spiritual form.
Hard to explain from my human norms.
Help my wonder, help my faith.
Help my trust and accept my ...
Help my trust and accept my ...
Help my trust and accept my praise
