ACADEMIC POSITIONS

2017 (Dec) - Now

University of Hong Kong,
Hong Kong SAR

Tenure-track assistant professor
Department of Psychology

2015-2017

Maastricht University,
Netherlands

Postdoctoral research fellow
Department of Work and Social Psychology

2014-2015

University of Illinois
Urbana-Champaign, USA

Postdoctoral research fellow
Department of Psychology

EDUCATION

2009-2014

Hong Kong University of
Science and Technology,
Hong Kong SAR

PhD in Management
(Micro Organizational Behavior)

RESEARCH

Interests:

- Judgment and decision making, heuristics and biases
- Choice, agency, and related lay-beliefs (e.g. belief in free will)
- Behavioral ethics and morality
- Personal values

Philosophy:

- [Open-science](#)
- Meta-science
- Main methods: [Registered Reports](#), [meta-analyses](#), [mass replications & extensions](#)

PUBLICATIONS

For articles and links to procedures, pre-registrations, and data/code: <http://mgto.org/publications/>

(*: equal contribution; underlined: supervised students; ^: corresponding author; italic: invited ECR)

2022 / In Press / In-principle acceptance Registered Reports

Note: For an explanation of Registered Reports publication model and the meaning of a Stage 1 Registered Report in-principle acceptance, please see: <https://cos.io/rr/>

Lim, V., & **^Feldman, G.** (2022 expected). Values and the dark side: Meta-analysis of links between Dark Triad traits and personal values. *Journal of Research in Personality*. [[Preprint](#)] [Registered Report Stage 1 in-principle acceptance]

Nanakdewa, K., et al., Savani, K., & **^Feldman, G.** (2022 expected). Outcomes associated with believing in free will: Meta-analysis. *Journal of Research in Personality*. [[Preprint](#)] [Registered Report Stage 1 in-principle acceptance]

2021

- (30) **Ziano, I.*, **Kong, M.*, **Kim, H.*, **Liu, C.*, **Wong, S.*, Cheng, B., & **^*Feldman, G.** (2021). Revisiting Disjunction Effect: Replication of Tversky and Shafir (1992) and extension comparing between and within subject designs. *Journal of Economic Psychology*. [[Preprint](#)]
- (29) **Ziano, I.*, **Li, J.*, **Tsun, S.*, **Lei, H.*, **Kamath, A.*, Cheng, B., **^Feldman, G.** (2021). Revisiting “Money Illusion”: Replication and Extension of Shafir et al. (1997). *Journal of Economic Psychology*. [[Preprint](#)]

MASS SOCIAL PSYCHOLOGY/JDM REPLICATIONS AND EXTENSIONS PROJECT

Leading the mass pre-registered replications and extensions project, with over 72 replications and extensions of classic social psychology / judgment and decision-making / behavioral economics studies completed so far.

Coordinating and international team with over 30 scholars involved worldwide. There are over 40 completed submission-ready manuscripts in the pipeline.

Links:

- [Main mass JDM pre-registered replications and extensions project page](#)
- [Project on ResearchGate](#)
- [Reports, open data and code for mass pre-registered JDM replications project](#)

Project received [Society for Improving Psychological Science](#) Awards Commendation 2020.

DEVELOPED COLLABORATIVE OPEN RESOURCES

I created and coordinate the development and maintenance of the following open resources with collaborators and students from around the world. These resources are currently being pre-tested and are expected to be submitted for publication after successful proof-of-concept:

1. Guides
 - [Effect size, confidence intervals, and power](#)
 - [Pre-registered replication and extension projects guide](#).
 - [Replications' extensions guide](#)
 - [R/JAMOVI/JASP guide](#)
 - [Qualtrics guide](#)
2. Manuscript templates
 - Replication and extensions template
 - [Main manuscript](#)
 - [Supplementary](#)
 - [Guide/primer manuscript template](#)
 - [Opinion/perspective/advice manuscript template](#)
 - [Review manuscript template](#)
3. Experimental meta analysis registered report template
 - [Main manuscript](#)
 - [Supplementary](#)
 - [Coding sheet](#)
 - [Cloud folder](#)
4. Correlational meta analysis registered report template
 - [Main manuscript](#)
 - [Supplementary](#)
 - [Coding sheet](#)
 - [Cloud folder](#)
5. Peer review templates
 - [Quantitative manuscript peer review template](#)
 - [Review/opinion/guide peer review template](#)
 - [Replication assessment template](#)
6. Books
 - [Taking stock of the credibility revolution: Scientific reform 2011-now](#)

PUBLIC MEDIA MENTIONS (SAMPLE)

CONFERENCES

[2020 conferences planned but changed due to pandemic - SIPS/EASP/APS/etc.]

- Mass pre-registered replications of classic findings in judgment and decision-making. TIBER. Tilburg, Netherlands, August 2019.
- Mass pre-registered replications of classic findings in judgment and decision-making. Subjective Probability, Utility, and Decision Making (SPUDM). Amsterdam, August 2019.
- Participation in open-science hackathons and pre-poster presentation. Society for Improvement of Psychological Science (SIPS). Rotterdam, July 2019.
- Mass pre-registered replications project of classic findings in judgment and decision-making. World Conference Research Integrity (WCRI), Hong Kong, June 2019.
- Mass pre-registered replications project of classic findings in judgment and decision-making. Association for Psychological Science (APS), Washington DC, May 2019.
- Mass pre-registered replications project of classic findings in judgment and decision-making. International Conference for Psychological Science (ICPS), Paris, March 2019.
- Personal values and moral accountability. Symposium on Values as the lens through which we perceive and understand the world. European Association for Social Psychology (EASP), Granada, July 2017.
- Agency beliefs over time and across cultures: Free will beliefs predict higher job satisfaction. International Conference for Psychological Science (ICPS), Vienna, March 2017.
- Personal values, morality, and unethicity: An integrated framework. International Association for Cross-Cultural Psychology (IACCP), July 2016, Nagoya, Japan.
- The relationship between lay-beliefs and the concept of choice. Symposium on “Advances in research on choice”. Association for Psychological Science (APS), May 2015, New York City.
- The freedom to excel: When the belief in free will predicts better performance. Society for Personality and Social Psychology (SPSP), Austin, February 2015 and International Conference for Psychological Science (ICPS), Amsterdam, March 2015.
- The freedom that comes with wealth: Links between money and beliefs in free will. Society for Personality and Social Psychology (SPSP), Austin, February 2014.
- Free will is about choosing: Links between choice and beliefs in free will. Association for Psychological Science (APS), May 2013, Washington DC.
- Personal values and morality: An integrated view. Society for Personality and Social Psychology (SPSP), New Orleans, January 2013.
- Free will attributions of positive versus negative actions. Society for Southern Social Psychologists (SSSP), October 2012, Gainesville.
- Evidence for the importance of personal values in behavioral ethics. Association for Psychological Science (APS), 2012, Chicago.

MENTORING

University of Hong Kong

Research postgraduate students:

1. Qinyu Xiao
2. Wilson Siu Kit Yeung

2020-21

1. Ivard Tsz Ching TSANG (masters)
2. Michelle Xingyu CHEE (masters)
3. Florence Wing Yan CHAN (2nd masters)
4. Nadia Adelina (undergraduate)
5. On Ying CHAN (undergraduate)
6. Ting Hin WONG (undergraduate)
7. Jasmee Cheuk Yan TAM (undergraduate)

2019-20

1. Nicole Yik Chun WONG (masters)
2. So Chi LIU (masters)
3. Xing PERKS (masters)
4. Irene Nga Yu AU (masters)
5. Cherry Tsz Chin LAU (undergraduate)
6. Danny Kai Hin WAN (undergraduate)
7. Elaine Hongye Lyu (undergraduate)
8. Isabelle Ching Kwan (undergraduate)
9. Leo Chan (undergraduate)
10. Michelle Hoi Shing Cheng (undergraduate)
11. Samson Chung Hin WONG (undergraduate)
12. Yik Long TAI (undergraduate)

2018-9

1. Cora Pui Yan MOK (masters)
2. Florence Wing Yan CHAN (masters)
3. Papara Yee Lok LAI (undergraduate)
4. Roxane Kwan Lok CHING (undergraduate)
5. Rachel Kam Hoi CHING (undergraduate)
6. Reanna Wing Yiu HUNG (undergraduate)

Maastricht University

2017

1. Tijen Yay (masters)
2. Lucas Kutscher (masters)
3. Yajing Gao (masters)
4. Rajan Piara (masters)

WORKSHOPS

Aiming to promote the improvement of psychological science and help other implement best practices open-science. Please visit <http://mgto.org/workshops/> for full list and links to cloud folders with materials.

Gave workshops on the following topics:

1. [Meta-analyses](#)
 - a. Short 1-day workshop
 - i. Maastricht University (2017)
 - ii. University of Hong Kong (2017 and 2018)
 - iii. Hong Kong Education University (2019)
 - iv. National Autonomous University of Mexico (2019)
 - b. Longer 3-days workshop
 - i. Hong Kong University of Science and Technology (2017)
 - ii. Nanyang Technological University (Singapore) (2019)
2. [Open-science / Pre-registrations and registered reports](#)
 - a. 1 day: University of Hong Kong (2019)
 - b. 2 days: Linkoping, Sweden (2019)
 - c. 1 day: University of Hong Kong (2020) [[recorded online](#)]
 - d. 1 day: University of Hong Kong (January, 2021) [[recorded online](#)]
3. [R/RStudio/RMarkdown/Shiny](#) and/or [JAMOVI/JASP](#)
 - a. Maastricht University (2017)
 - b. University of Hong Kong (2018)
 - c. University of Hong Kong (2019)
 - d. Mackenzie Presbyterian University, Sao Paulo, Brazil (2020)
 - e. University of Hong Kong (2020) [[recorded online](#)]

TEACHING

All my teaching materials are openly shared on the Open Science Framework:

<http://mgto.org/teaching-courses/>

University of Hong Kong, psychology department

- Autumn 2020-1: 2 sessions of advanced social psychology (PSYC3052A/B)
[[class recordings](#)]
 - Evaluation: Ongoing (department average: TBD)
- Autumn 2020-1: Judgment and Decision Making (PSYC2071)
[[class recordings](#)]
 - Evaluation: Ongoing (department average: TBD)
- Autumn 2019-20: 2 sessions of advanced social psychology (PSYC3052A/B)
 - Evaluation: Instructor A:88.1 / B: 89.2 (department average: 78.6)
- Autumn 2019-20: Fundamentals of social psychology (PSYC2020)
 - Evaluation: Instructor 84.8 (department average: 78.6)
- Autumn 2018-9: Judgment and decision making (PSYC2071)
 - Evaluation: Instructor 91.1 (department average: 70.6)
- Autumn 2018-9: Advanced social psychology (PSYC3052)
 - Evaluation: Instructor 75.4 (department average: 70.6)
- Spring 2017-8: Advanced social psychology (PSYC3052)
 - Evaluation: Instructor 80.6 (department average: 69.0)
- Spring 2017-8: Fundamentals of social psychology (PSYC2020)
 - Evaluation: Instructor 71.8 (department average: 69.0)

Maastricht University, psychology department

- Autumn 2016: Manipulation (attitudes and attitudes change) course, instructor.
