with Bronze Post Caps & Hardware

MARQUEE RAILING®

Our Marquee Railing® System incorporates the finer details that create an appearance of remarkable distinction. Post caps, rings and brackets, designed with a hammered metal look and solar lighting options, provide a unique finishing touch.

Elevate the atmosphere and presence of your deck with Marquee Railing® from Envision®. This extension of your composite deck creates the ambiance you desire outdoors.

Pictured: TAM-RAIL® with Square Balusters

TAM-RAIL® — RAILING SYSTEMS —

The TAM-RAIL® Railing System is available in 6, 8, and 10-foot sections and a 42 inch rail height, making it ideal for multifamily and commercial applications. Select from colonial or square balusters and add the finishing touch with a designer post cap.

Whether you have a composite deck, concrete porch, or have wood deck boards, TAM-RAIL® is the luxury system that sets your home above the rest with a white railing to complete the picture-perfect appearance.
