

Arabic Alphabet Activity Pack

Meet the Team

You'll be guiding these friendly characters through the activities in this book. Let's get to know them by matching the first letter in their names with the closest letter sound from the Arabic alphabet.

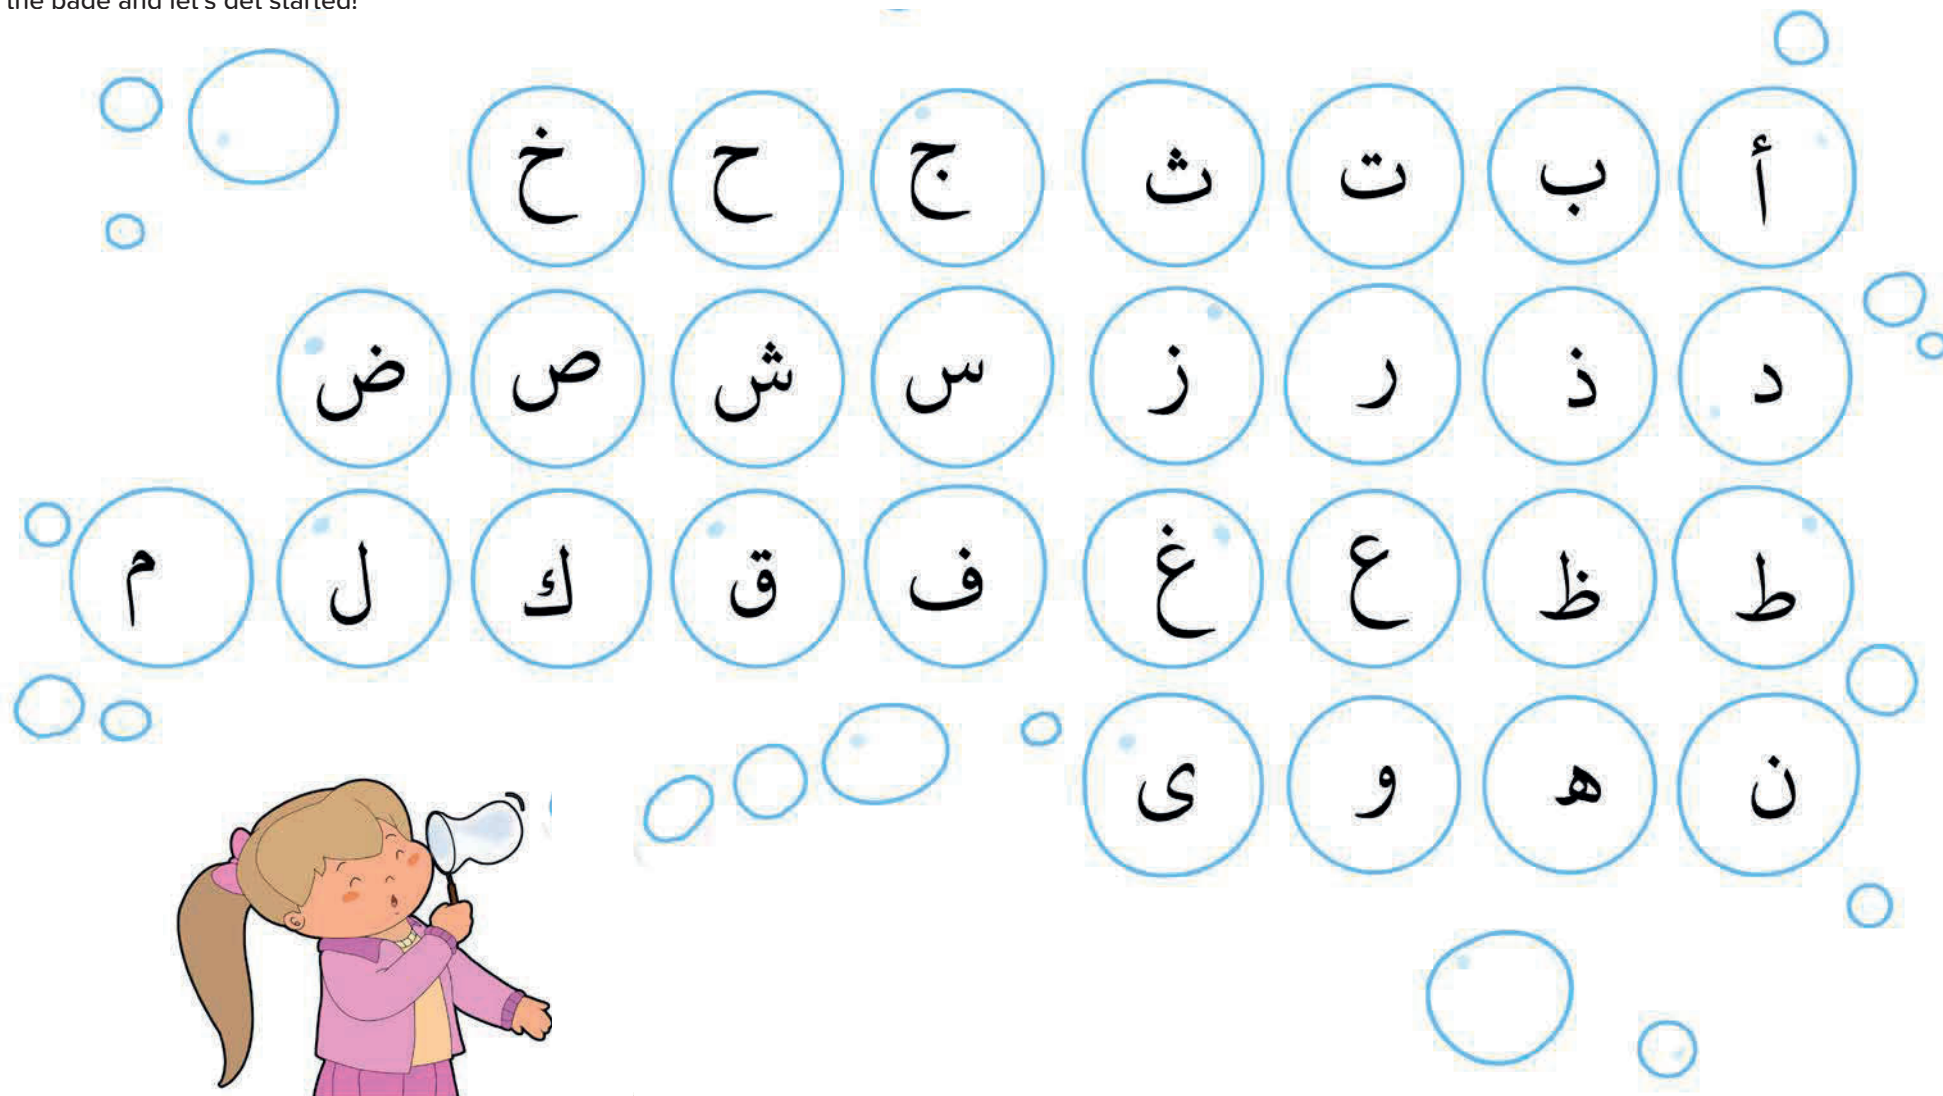

Single Letters

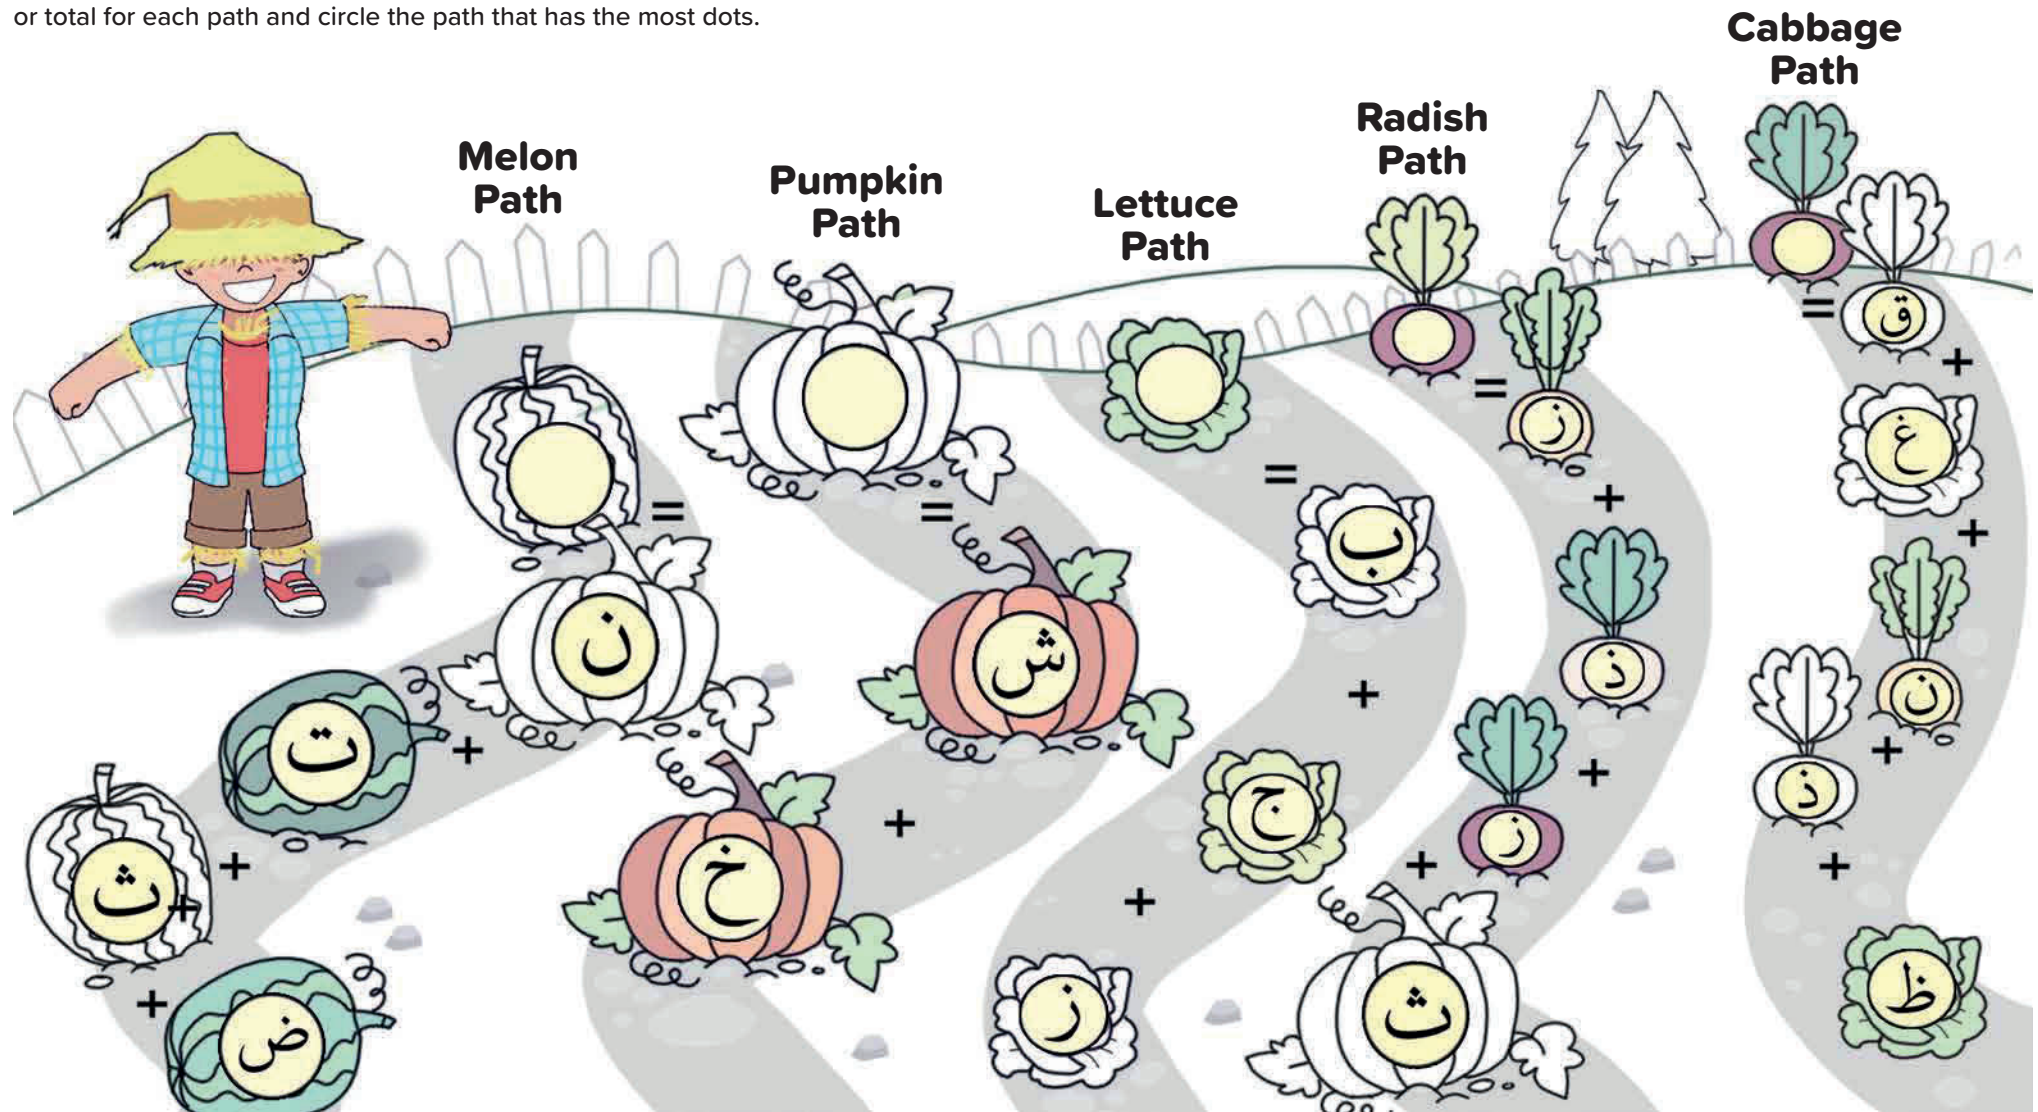

Single Letters—Quick Look Page

Aisha has made this page for you to refer back during the activities. It shows all the letters of the Arabic alphabet in order, and it will help you if you ever get stuck. Now turn the page and let's get started!

Veg Dots

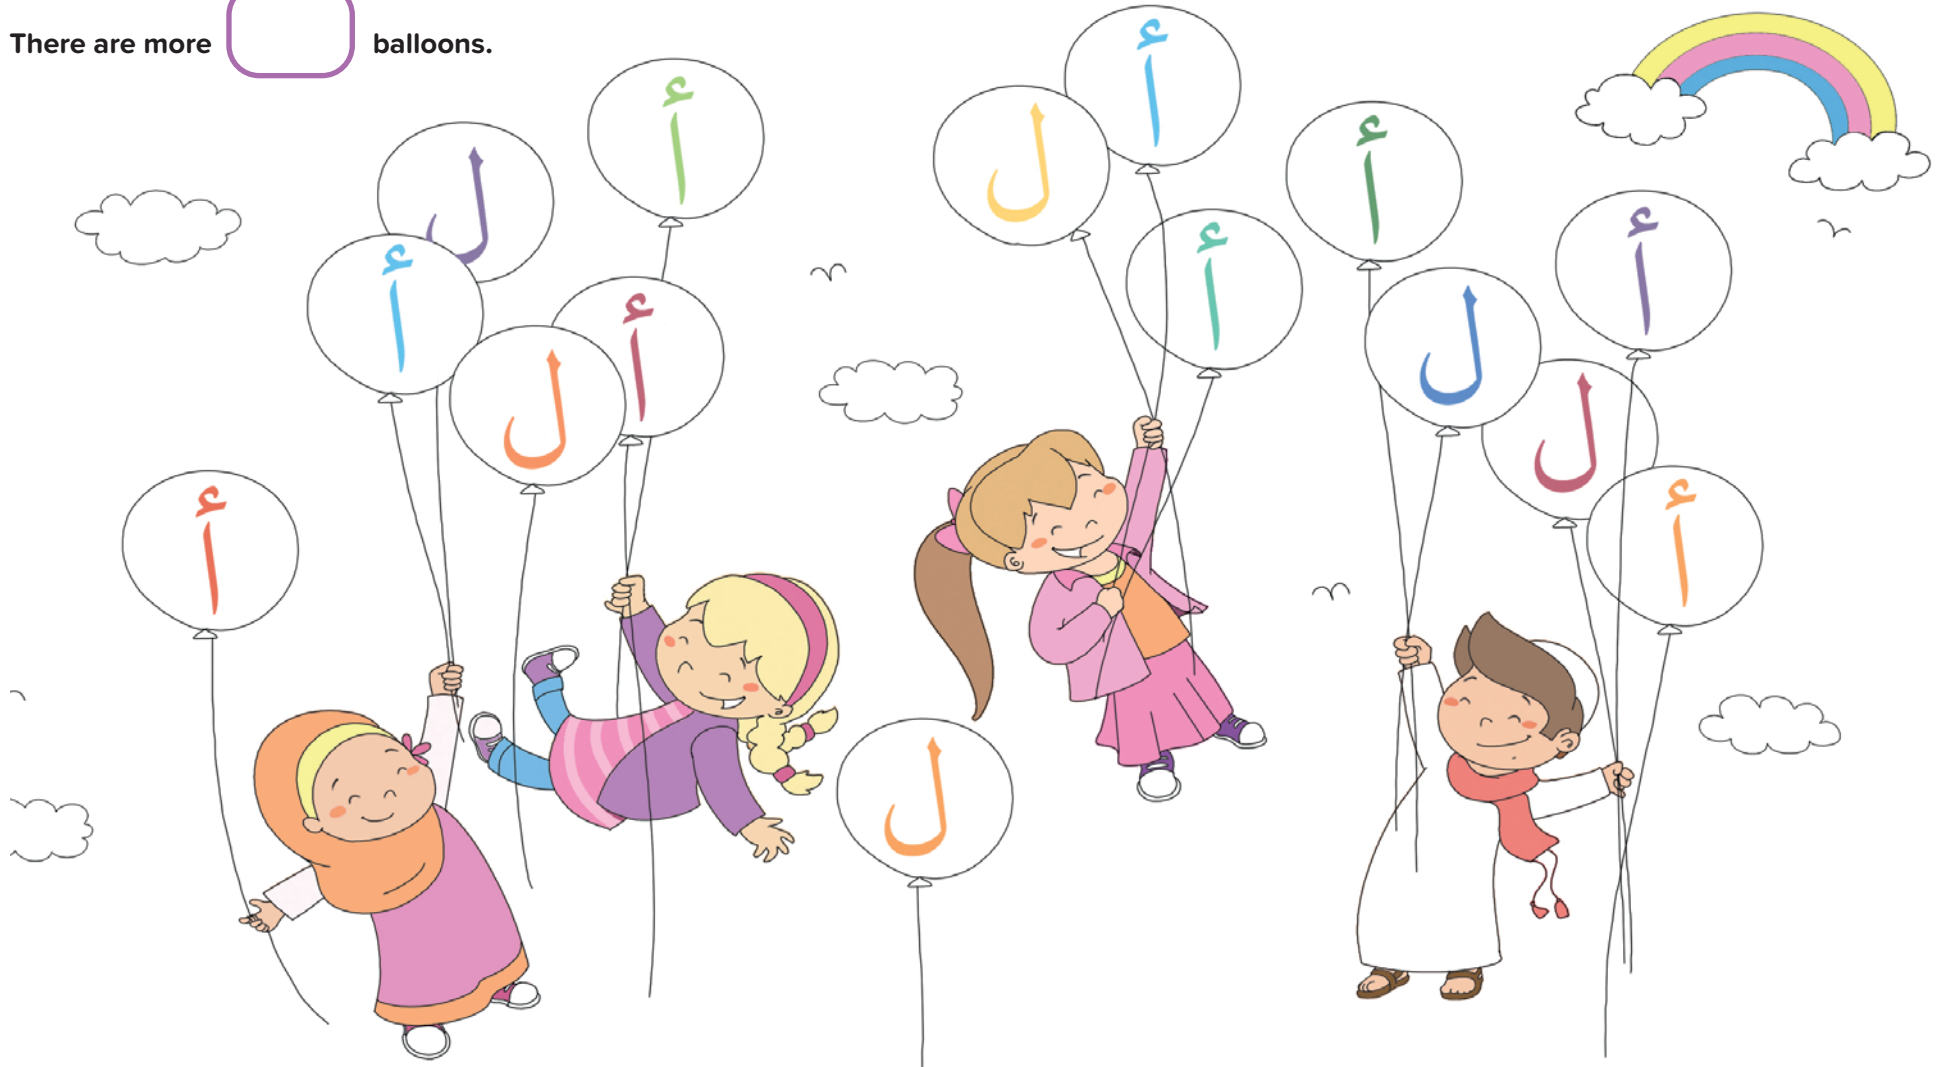

Thabit's field has four paths. Each path has vegetables with a letter on it. The number of dots on the letters in the path gives its value. Find the sum or total for each path and circle the path that has the most dots.

Balloon Fun

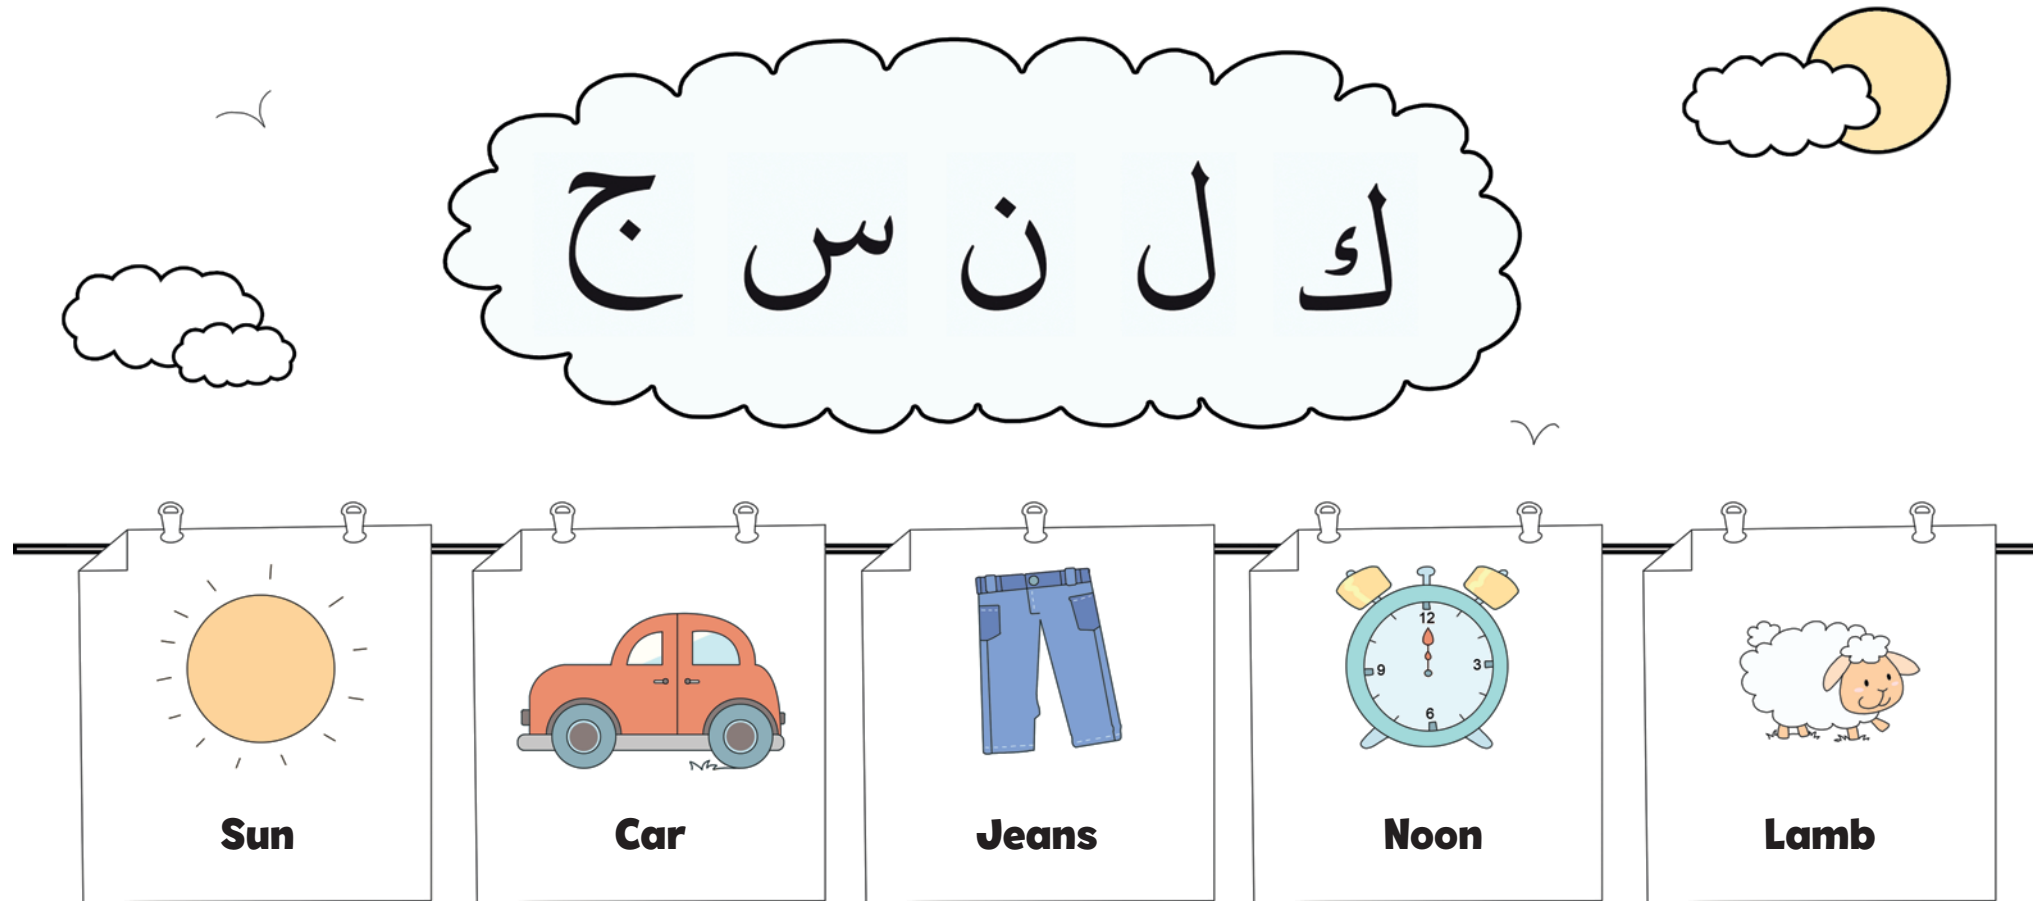

The team are having fun playing with their balloons. Can you tell whether there are more ج or ا balloons in the picture below?

There are more balloons.

Cloud Connection

The Arabic letters in the cloud must be matched to the objects that begin with the same sound. Here's an example: Car and ك (kaaf).

ك ل ن س ج

Sun

Car

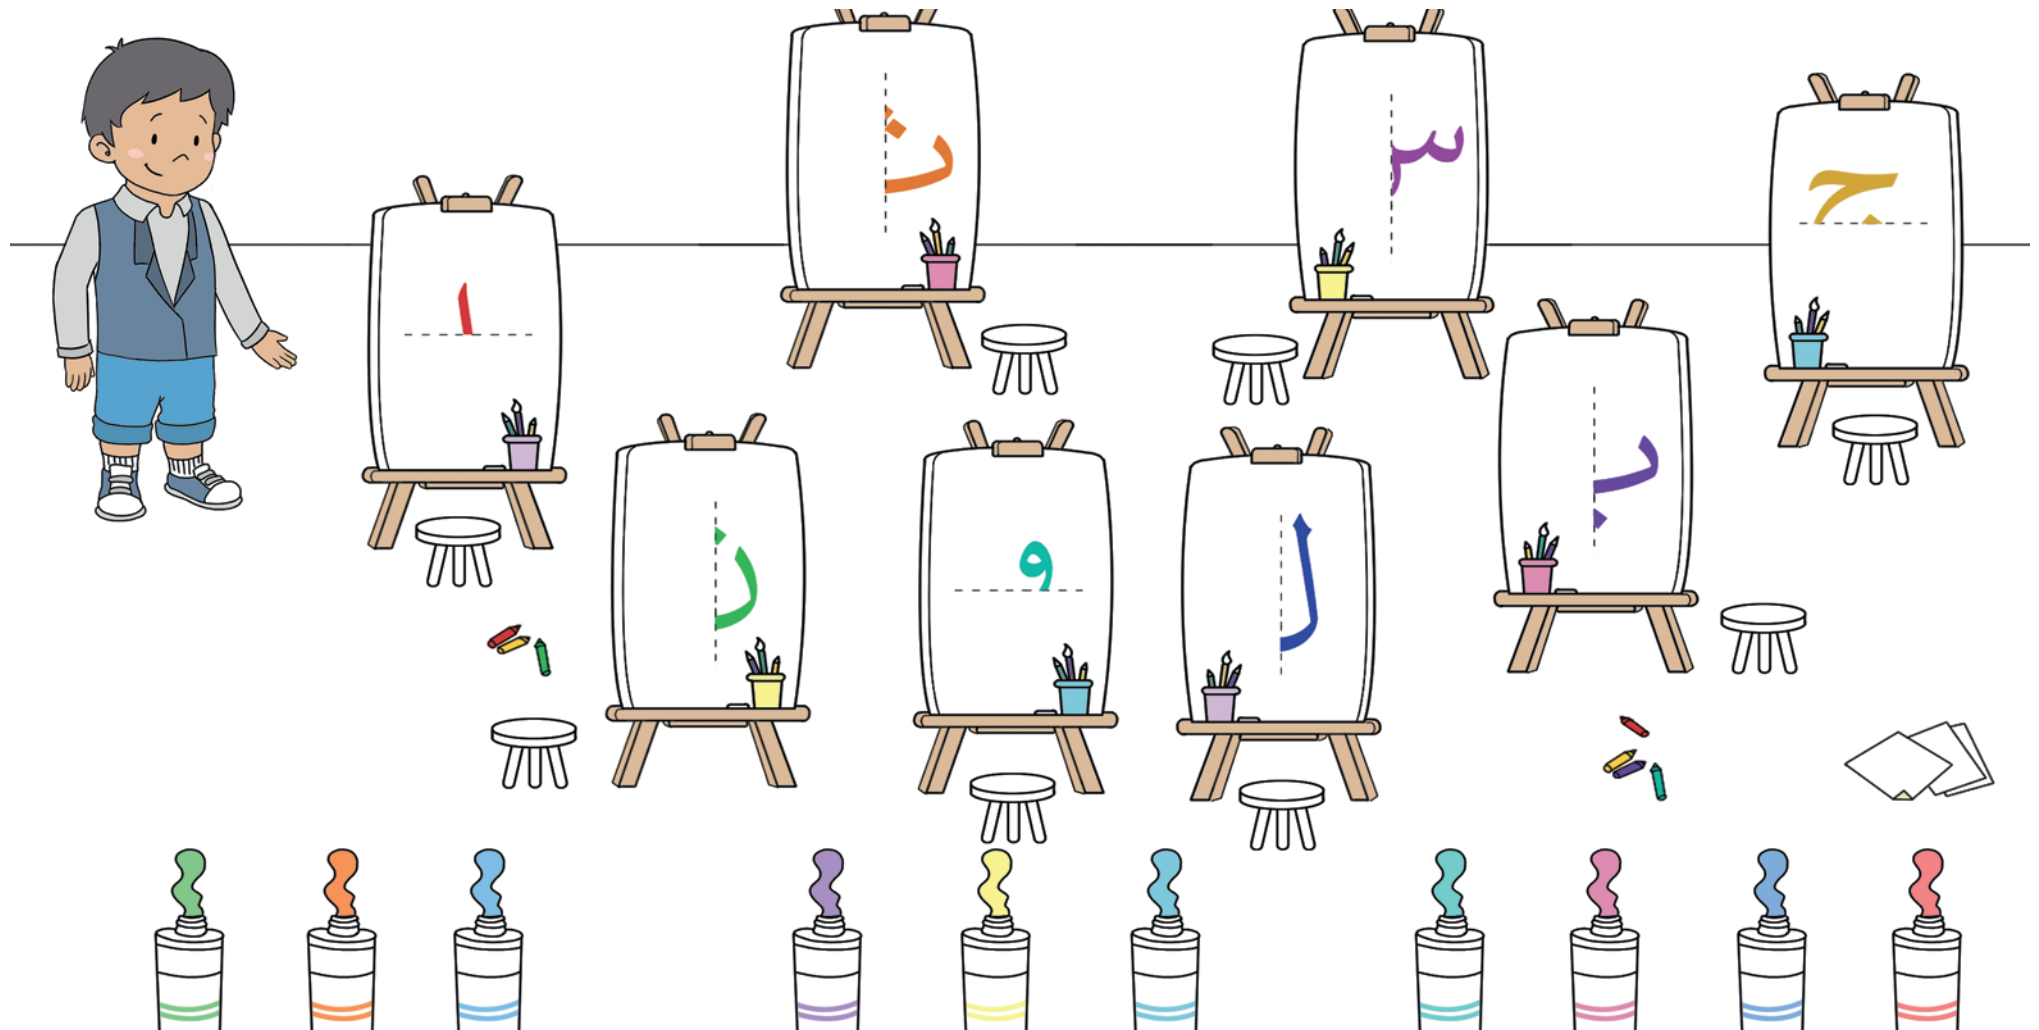

Jeans

Noon

Lamb

Super Symmetry

Layth is trying to figure out which Arabic letters are symmetrical. Complete the lines of symmetry for the letters below and cross out the ones that don't show the letter as it should be.

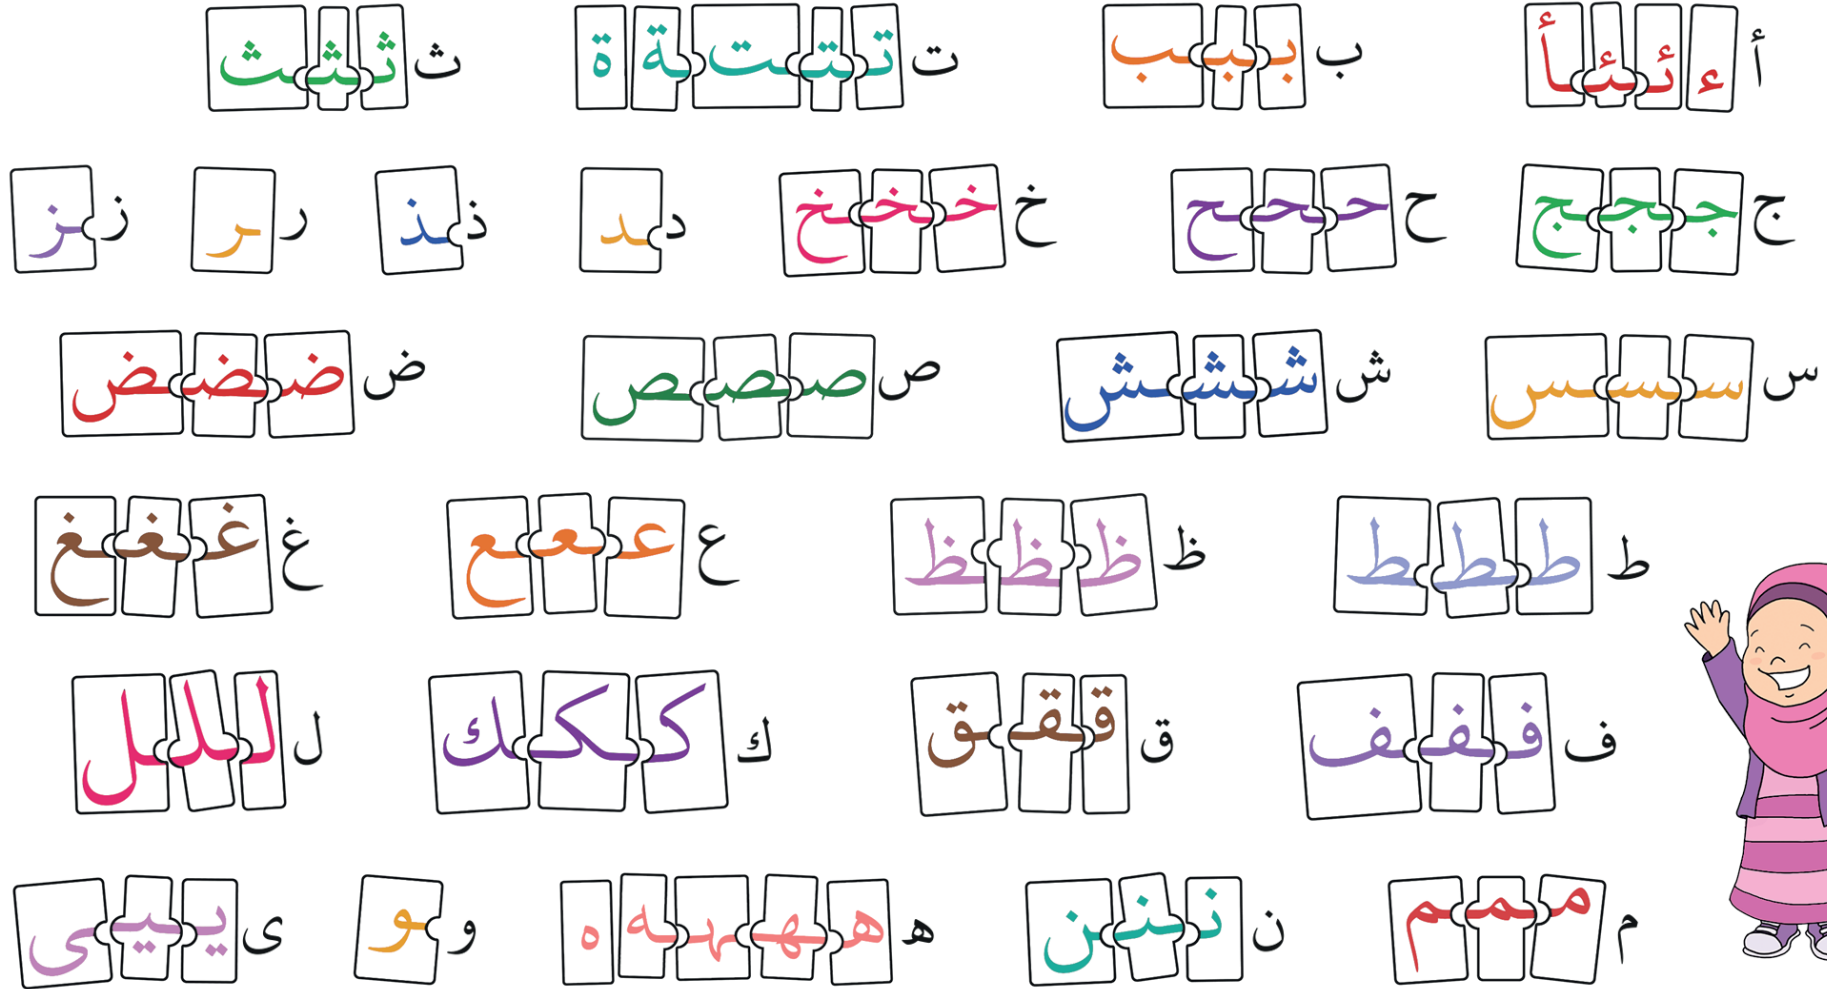

Joined Letters

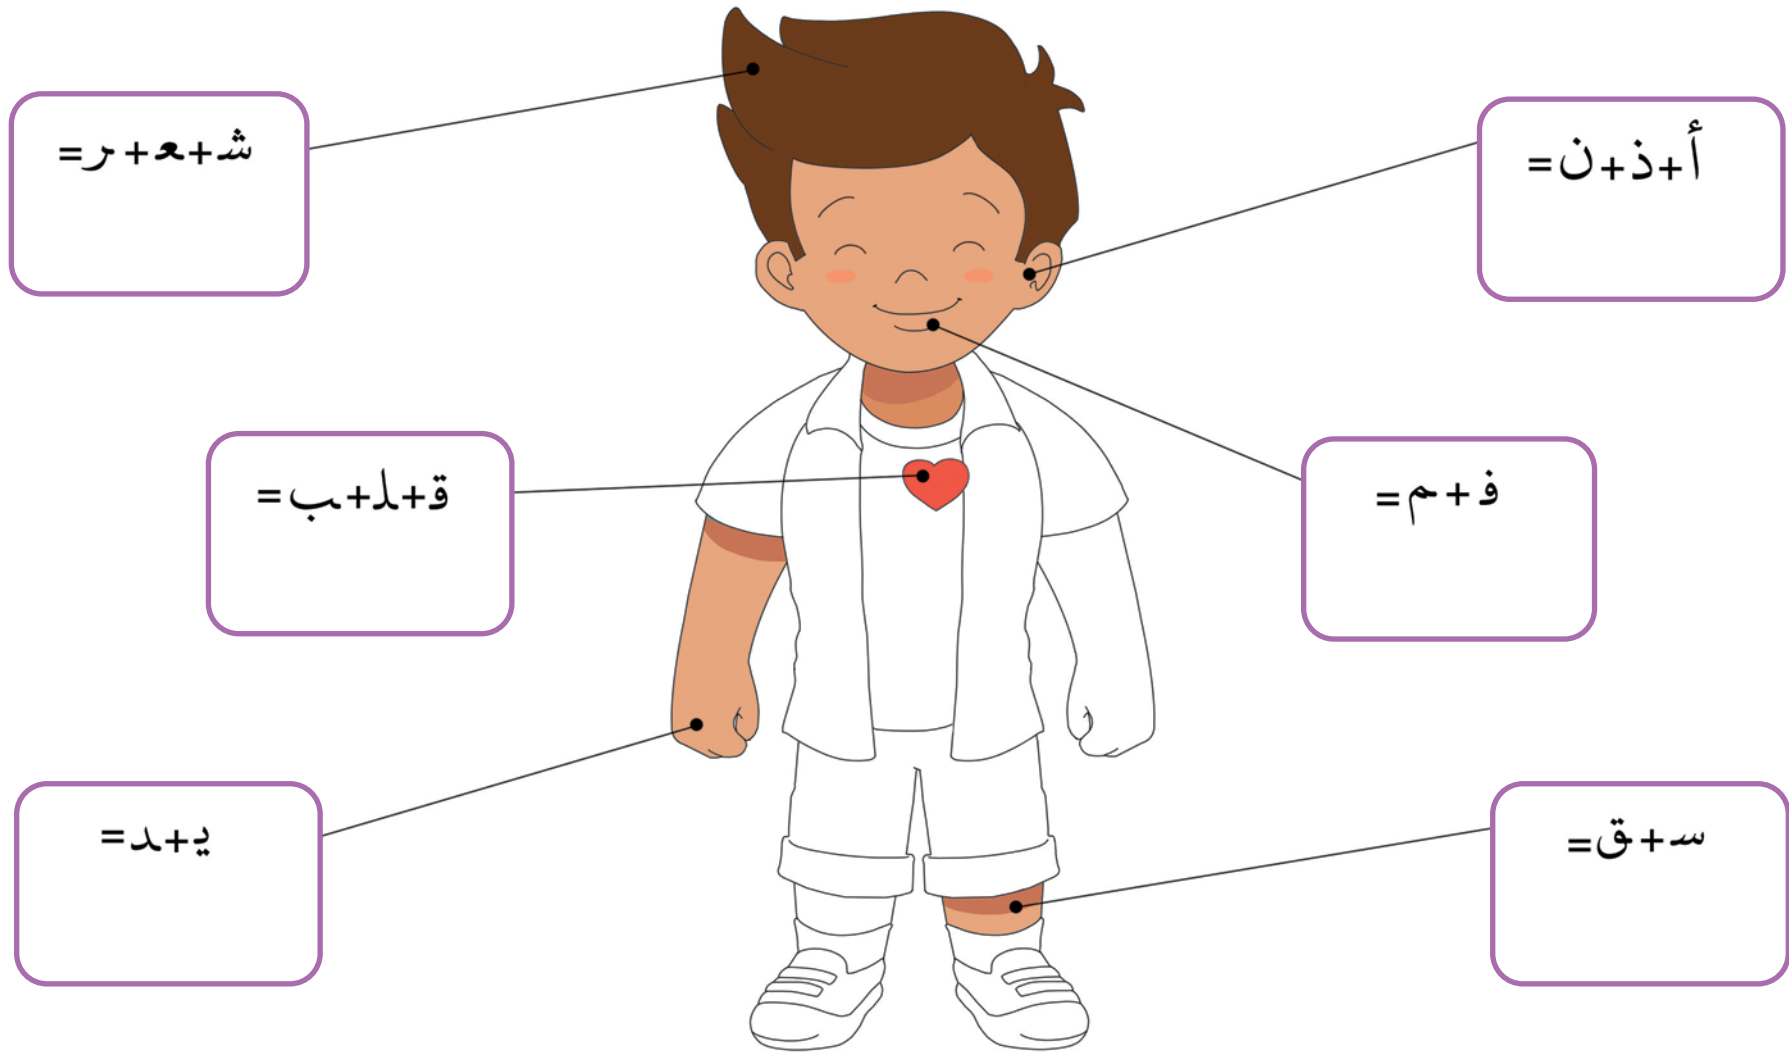

Joined Letters Reference Page

Now you're ready to learn about joined-up letters. Aisha has made this page for you to refer back during the activities. It shows all the letters of the Arabic alphabet in their different forms. Now turn the page and let's get started!

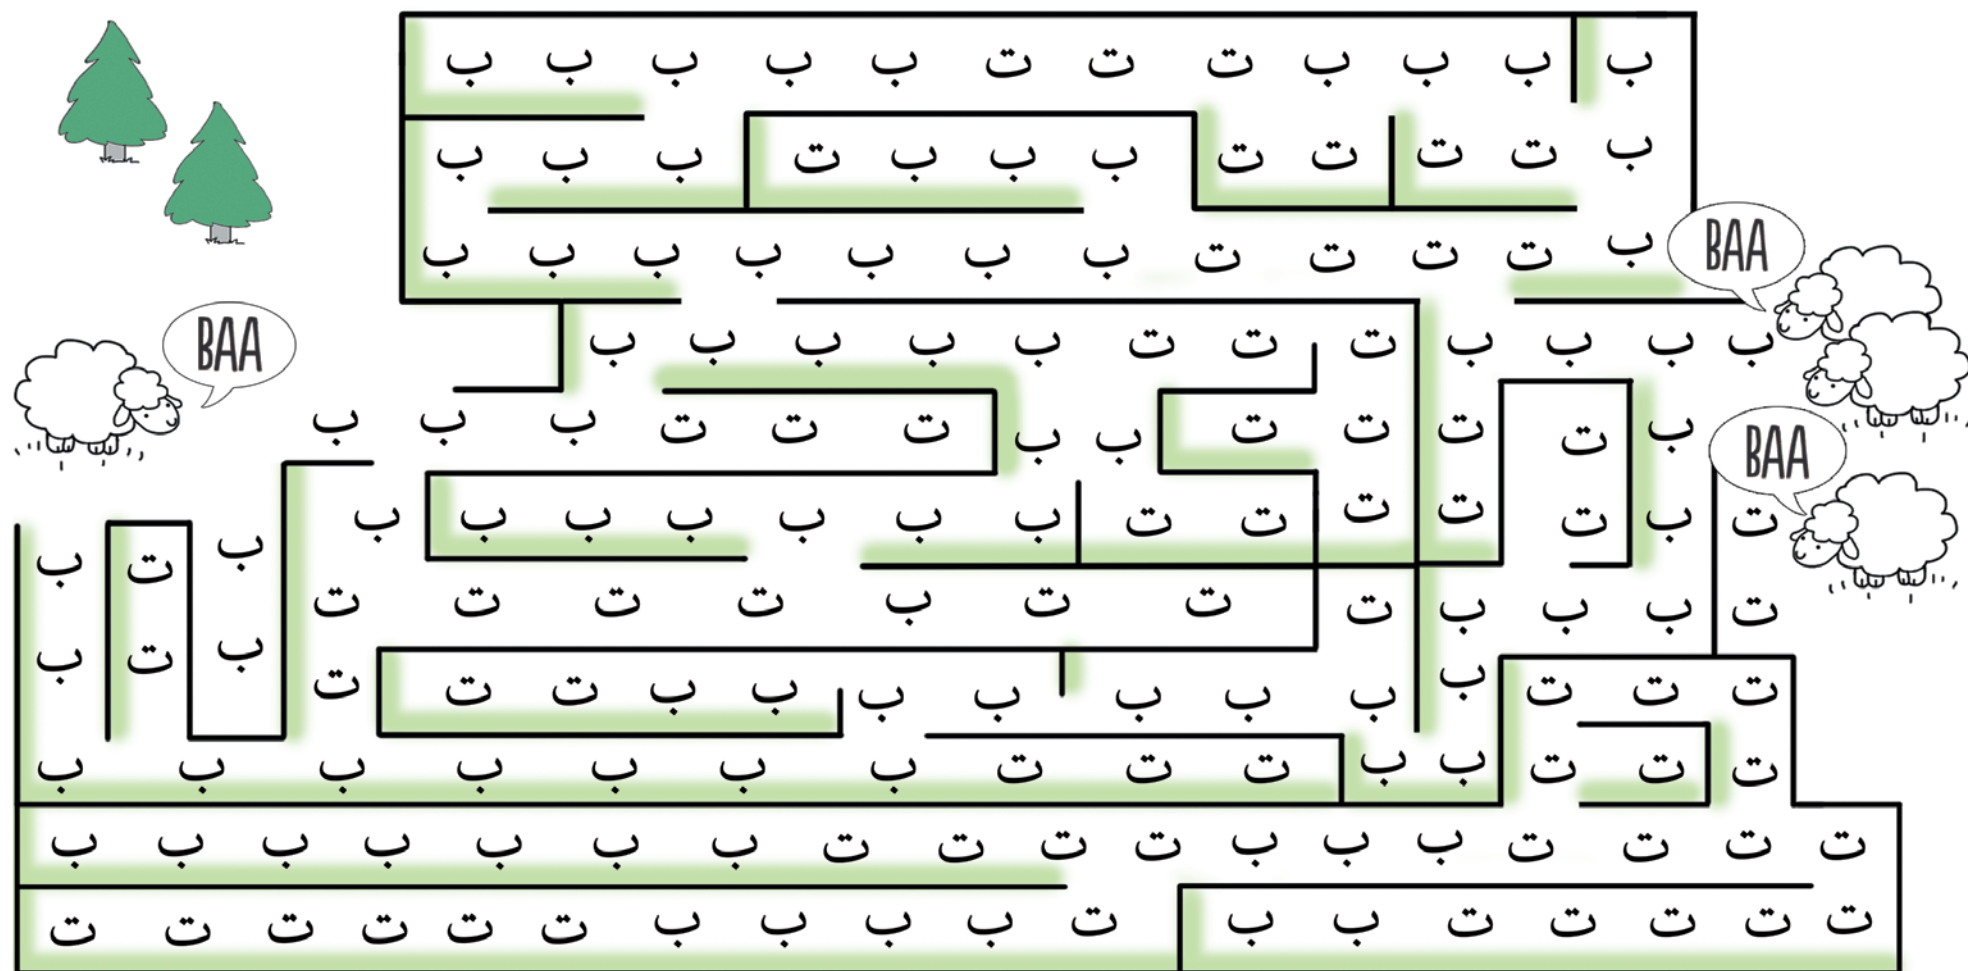

My Body

Thabit is posing for a poster picture showing body parts in Arabic. Join the letters together to reveal the name of each label.

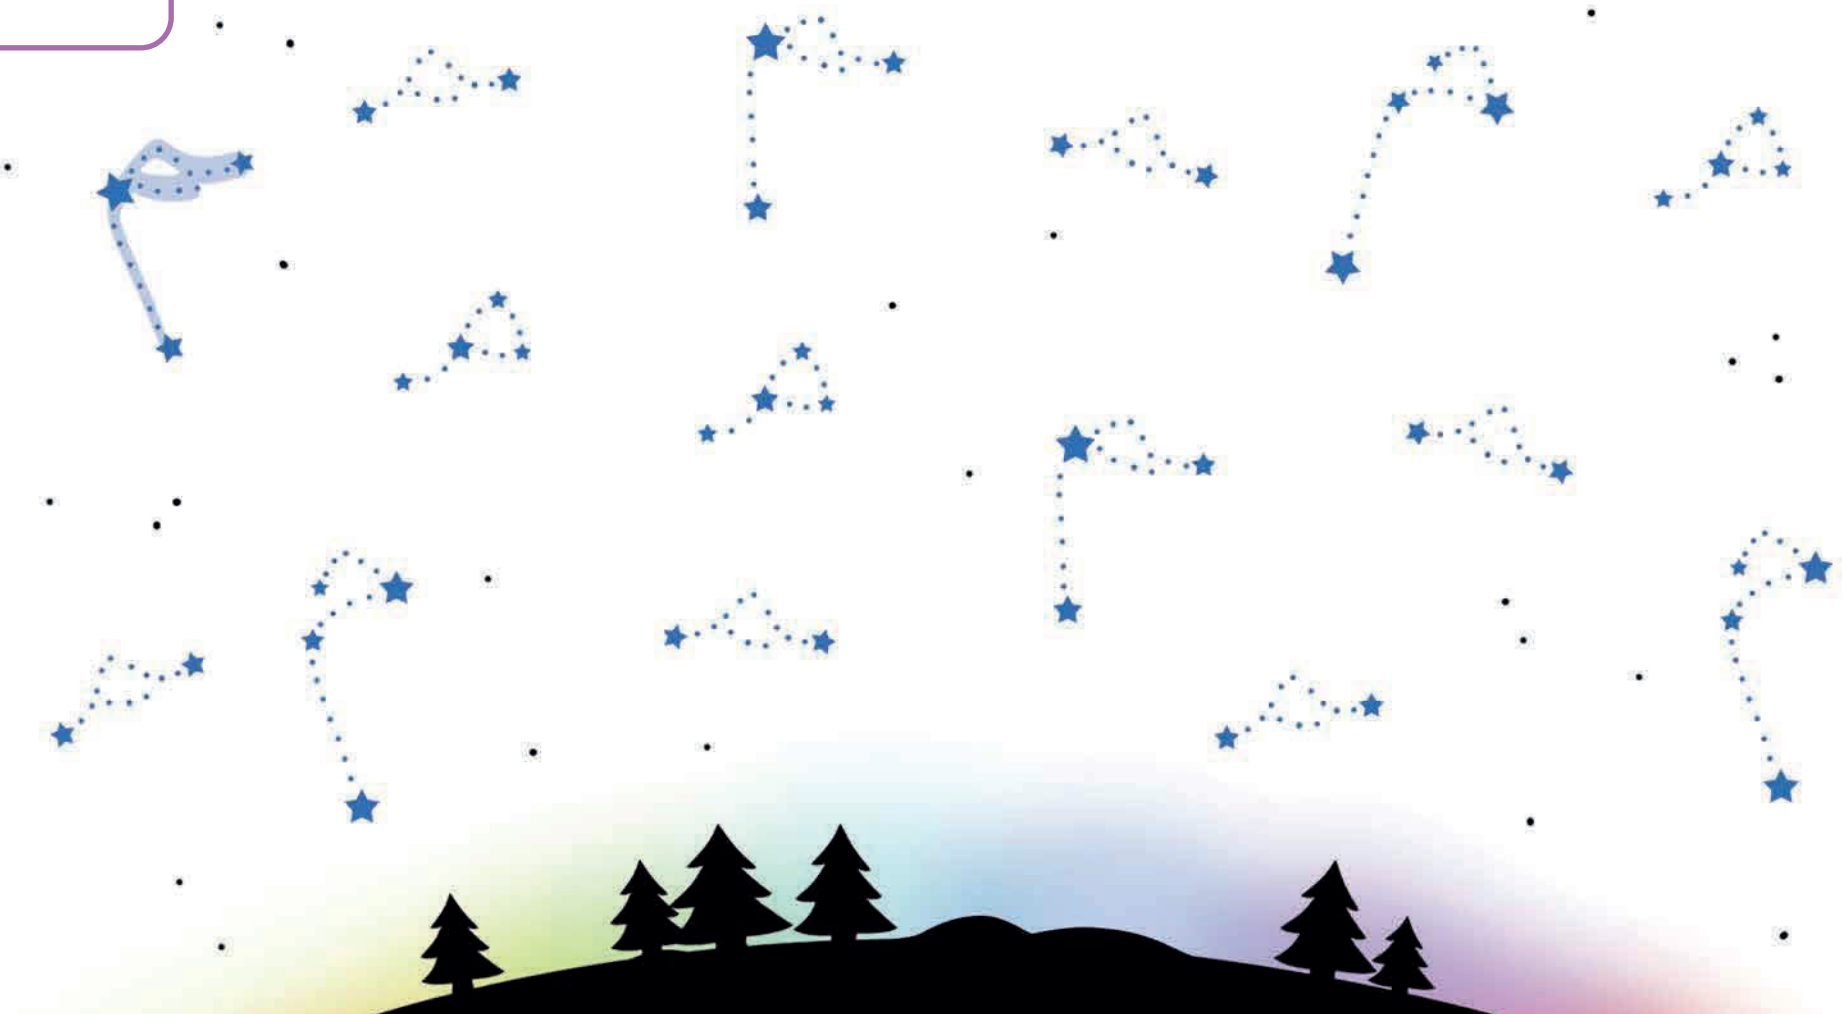

Lost Sheep

Follow the sound of the letter 'baa' and help the sheep back home.

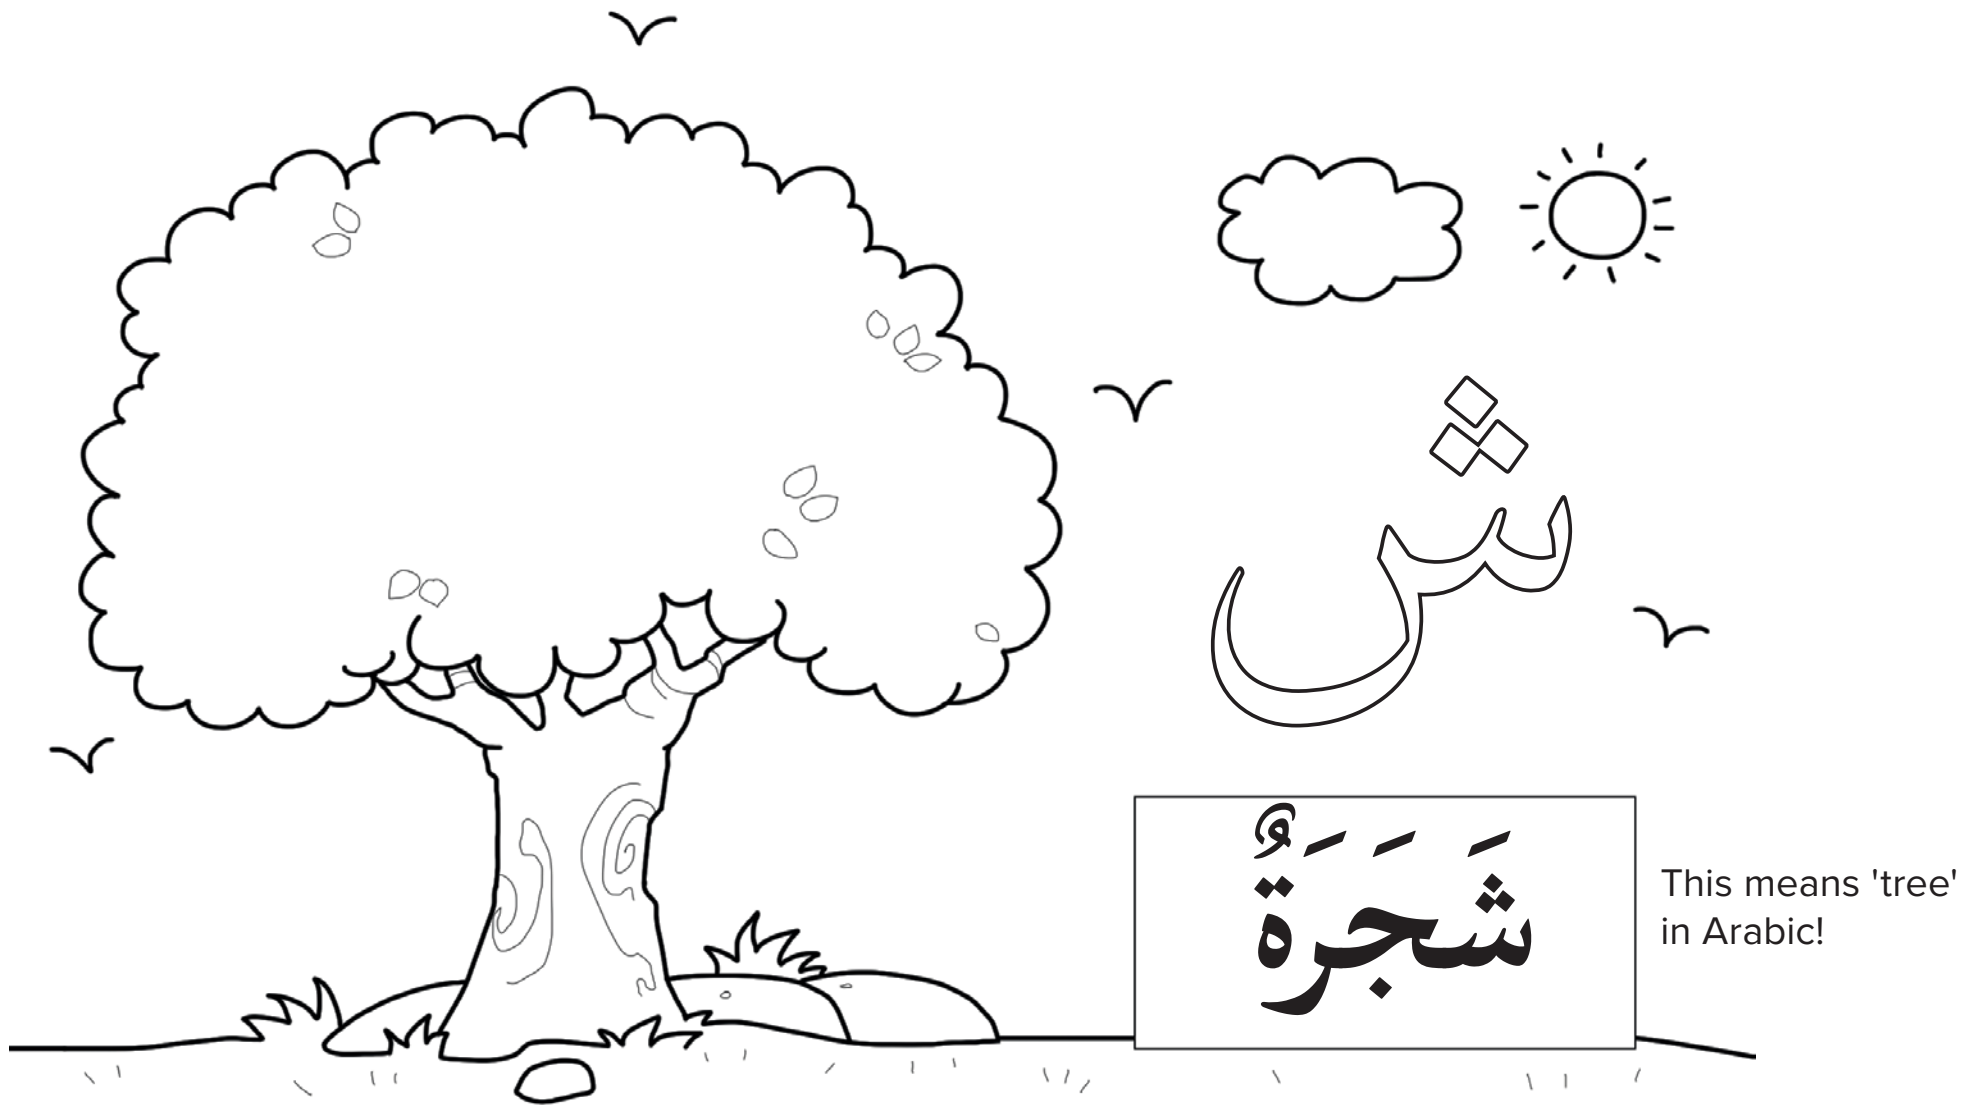

Twinkle Twinkle Little Star

How many meem 'at the end' constellations can you see in the night sky?

Colouring Time!

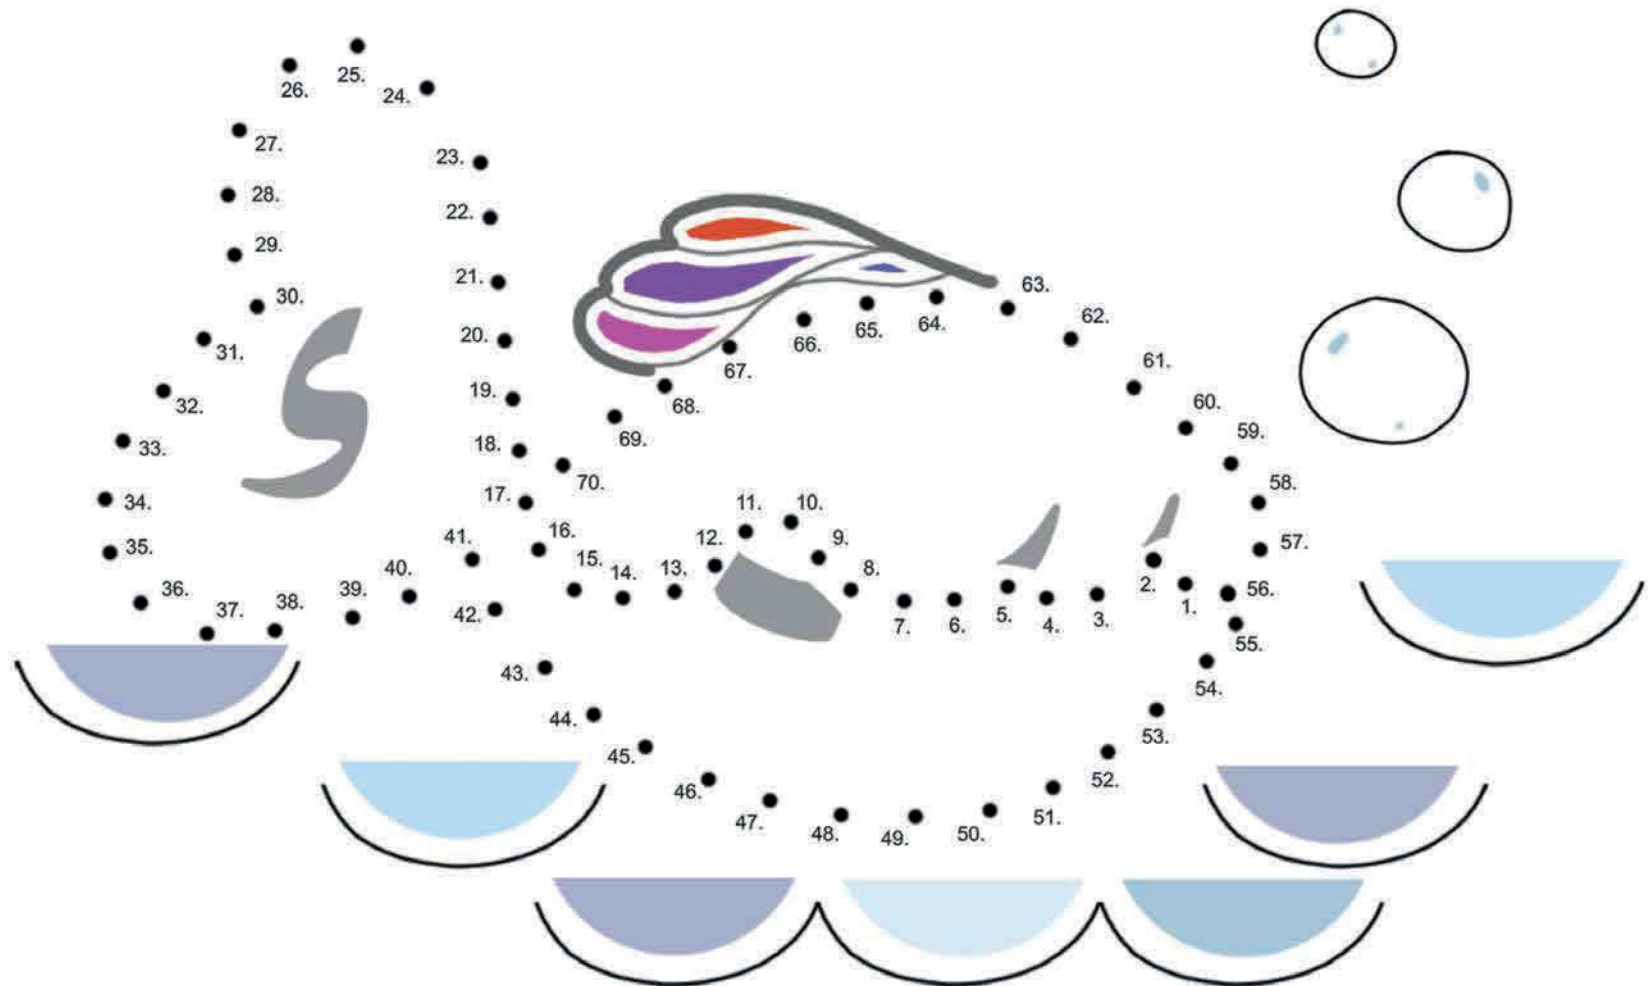

Colour in the Arabic letter and the picture.

Under the Sea

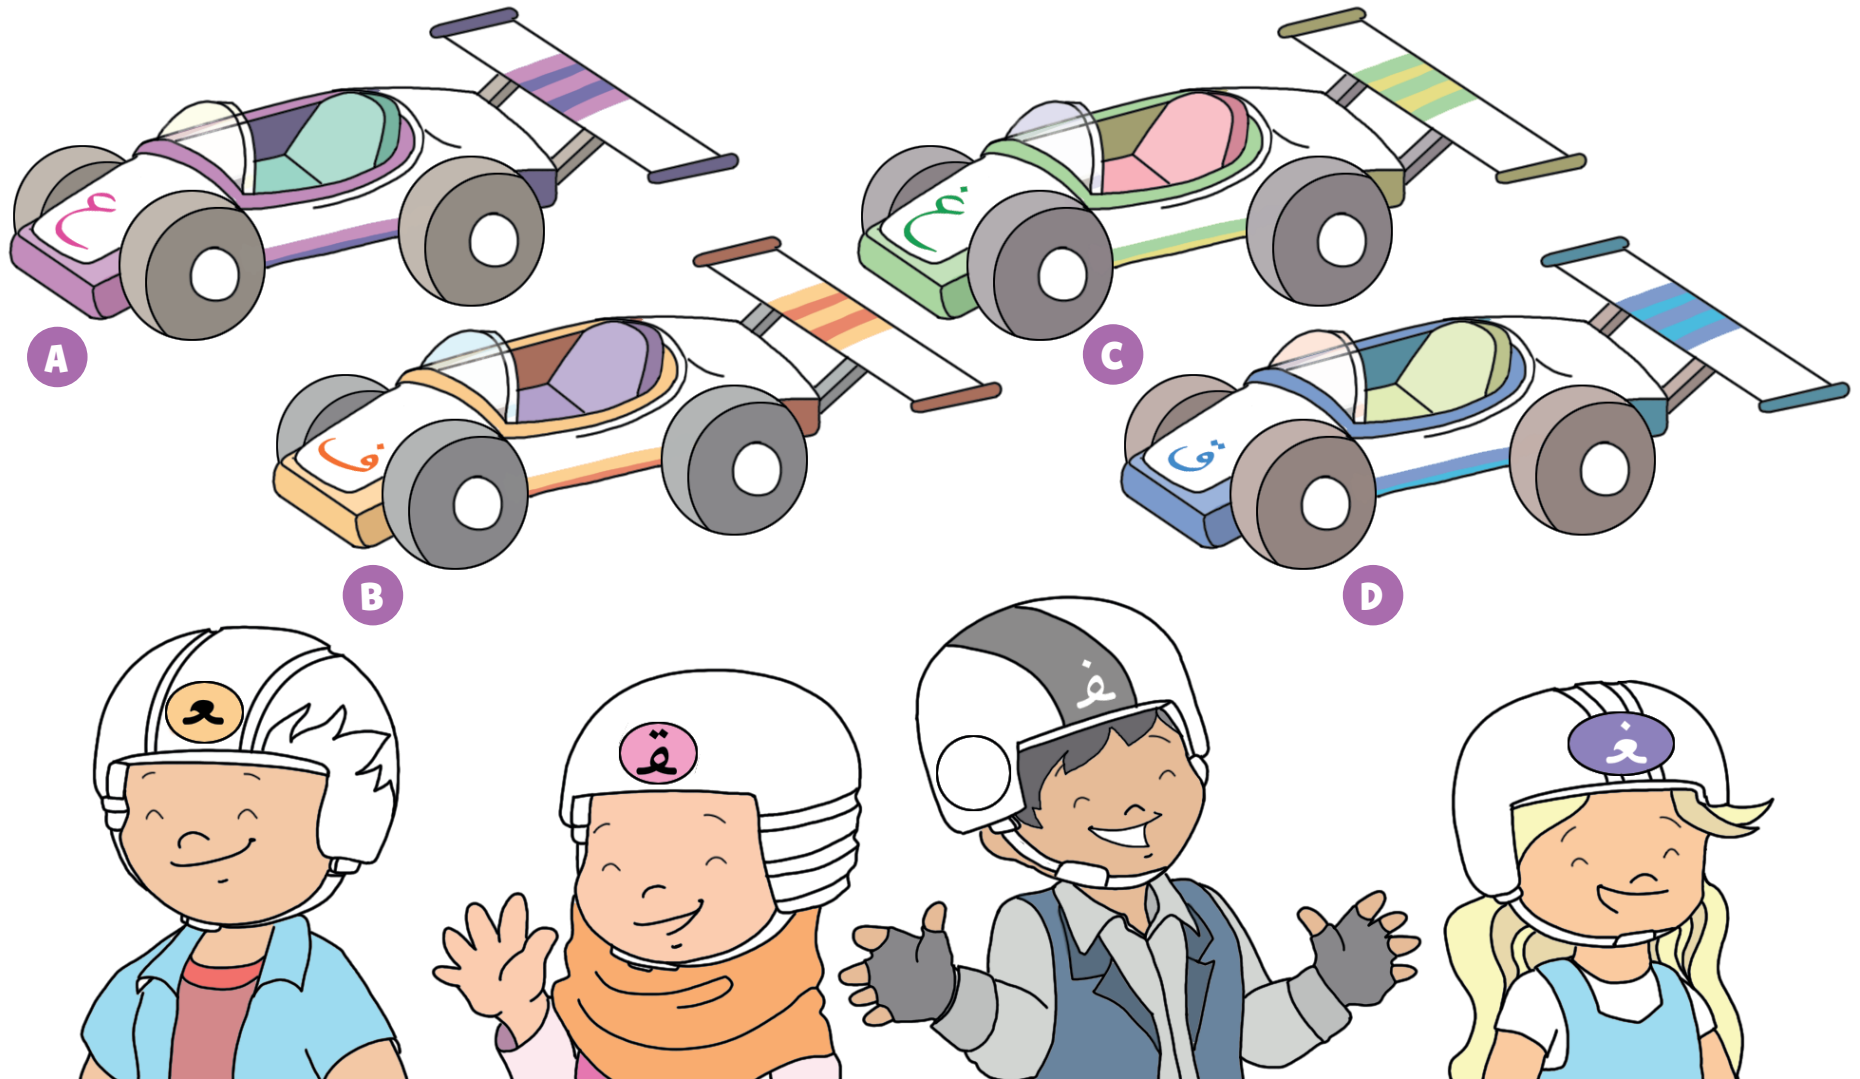

Join the dots below to find out which animal Zayd has as a pet.

What pet does
Zayd have?

On Your Mark, Get Set, Go!

The team is off to the races for some go-karting fun. Match each racing car with its correct driver. Use the letters on karts and helmets to help you.

Learning Islam should be fun!
