INDIVIDUAL PIANO LESSONS

TUITION FEES

Fees are paid in advance at the beginning of every school term. Individual lessons are for the full term and can not be shared with another student.

CONFIRMATION OF ENROLMENT

Enrolment is confirmed only when payment is received. If payment is not received by the due date, your place may be given to someone else.

PRACTISE

Students are expected to commit to daily practice and make progress on weekly goals.

MISSED LESSONS

Give notifications of absences as soon as possible and use the absence form on kathrynlaudermusic.com for this.

There is no refund or credit for missed lessons, however, I endeavor to set aside a portion of a day in the school holidays where I offer any student who has missed a lesson, one catch-up lesson under the following condition:

The reason for the absence was due to circumstances beyond your control – for example, a school camp, an illness or a funeral and notification of the absence was given as early as possible through the absence form on my website.

Frequently asked question regarding missed lessons:

Q: What happens if our family are going away overseas - do we still have to pay for a full term's lessons?

A: If you want to keep your weekly time slot, you'll still need to pay for a full term.
