# *Move On To The Promised Land*

## Verse 1

I read God sent manna to feed the children of Israel.  
It was such a practical food, and symbol of God's wondrous love.  
His care, found there, out in the desert each morn.  
Traveling on, day by day,  
They picked up the pieces to move on to their Promised Land.

## Verse 2

I read God empowered Jesus to lead spiritual life.  
Prayer and solitude helped to make sense of his planned destiny.  
My prayer, helps where, I want to seek God's will too.  
I pray to seek the way,  
Then take up His calling and move on to my own Promised Land.

## Bridge

Show me the Promised Land.  
Help me to find real life I pray.  
Show me the Promised Land.  
Help me get closer each day.

## Verse 3

Jesus said that He was the way, that He was truth and life.  
No-one comes to God but through Him – what a great key of faith to live.  
In faith, I seek out justice and mercy and love  
I want to find God's leading me  
Then take up His offer and move on to my own Promised Land

## Ending

So, find what is my Promised Land  
I'm gonna move on to my own Promised Land  
Find my own Promised Land  
Find my own Promised Land
