Section Two

Timed Speaking skills.

Directive:

Students will be asked to speak for 2 minutes on randomly selected topics. Each student will be given 1 minute to think about what they would like to say prior to the 2 minutes commencing.

Evaluation Criteria: Ability to effectively speak, with emphasis on pronunciation, grammar, lexicon use and coherency.

1. Name the top 3 goals you have achieved in your life so far and why they are important
2. Talk about the characteristics you find most important in people around you, and why?
3. Should public education be free for everyone, and why?
4. Does society do enough to help people with drug problems, or is it more of an individual responsibility?
5. Using the adjectives: caring, independent and committed; describe your life up to this point.
6. How would you describe a healthy work/life balance?
7. How have you dealt with failure in your life?
8. Describe a tough situation you have been in, and how your personal values guided you in that situation.
