### **Important Notices**

- I am sorry to have to inform you that Endsleigh Insurance have decided to cease their sponsorship of the Les James Challenge Cup with immediate effect.  
The main reason that they have given for taking this decision is the fact that they have witnessed a large decrease in member clubs taking out their insurance with them over the past 12 months, thereby making their sponsorship commercially unviable.
- A number of clubs have contacted me to complain about the misuse of the passes that are issued to each club and also individuals who expect free entry to games because they happen to have bought a player.  
Please note that clubs were issued with 8 passes at the August meeting. 2 of those passes enable holders to enter any Midland Combination fixture (Cup Finals excepted), the remaining 6 passes only enable holders to enter the ground when the team named on the pass is actually playing at the time. In addition, a parent of a player recently expected to gain free entry into a ground just because he bought his son to play, he is not entitled to free entry unless arrangements are made with the hosting club beforehand.
