
God Of Dawn And Daybreak

Verse 1

God of dawn and God of daybreak
We lift our hearts in songs of praise.
Both within us and around us
You bring about such wondrous days.

Verse 2

God of life and God of love,
Ever bringing things to light.
Mystery beyond our measure:
Awe and wonder is our sight.

Chorus

When in mindfulness we worship,
This mystery brings health, love and laughter:
Your Spirit makes us whole ever after,
Bringing us new life,
Bringing us new life.

Verse 3

God of time and God beyond us,
Far too great for finite minds.
Spirit breathing through creation,
In gentle silence there to find.

Verse 4

God of grace and God of growth,
Even in our darkest hour,
Somewhere deep inside the turmoil,
You bring new life to gentler flower.

Chorus

Verse 5

Let every life live out this story
Of the Spirit's gracious care.
Ever healing and redeeming,
Lives transformed to give and share.
Chorus
