## Material

---

- Power Point Game.

## How to Play

This game can be played with your entire group. Students will be given a general knowledge question for each grade of school. There will be four options that they can choose from. Students will hold up the number with what they believe to be the correct answer. If the student is wrong they must sit down. The person or people that make it through all twelve grades is your winner.

### *Pro Tip:*

Have a certificate of graduation for all the winners. Have a quick celebration for everyone that wins.
