INSPIRE ACADEMY

Nurturing Todays Learners
Into Tomorrows Leaders

ABOUT US

The founder, Rahul Deb, visions Barak valley to be one of the centre in the field of Education, so that the upcoming inspired generation can easily get access to a better career in their own land, under the umbrella of good experienced mentors. We aspire to be the most relevant and responsive Higher Secondary Institute in entire Barak valley and one of the State's leading Coaching Centers.

We know how to make
the most out of our
students' talents

OUR PROGRAMS

Mathametics

Mathematics is a methodical application of matter..Mathematics makes our life orderly and prevents chaos. Certain qualities that are nurtured by mathematics are power of reasoning.

Science

Science is the systematic knowledge of the physical or material world gained through observation and experimentation. This course will cover the syllabus with enhanced transparency, understanding and applications and it will help you develop the habit of scoringwell in exams.

Social science

Social sciences help people understand how to interact with the social world—how to influencepolicy, develop networks, increase government accountability, and promote democracy.

English

This is the language of international communication, the media and the internet,so learning English is important for socialising and entertainment as well as work.

OUR PROMISES

INSPIRE provides a positive student experience that encompasses students' mental, emotional and physical well-being and defines success broadly. We prepare students to succeed in meaningful careers.

There's no one with
more expertise. You
can count on us !

OUR VALUES

RESPECT

We treat each other with respect, including behaviors of honesty, integrity, transparency, trust and an appreciation for diversity

CELEBRATION

We come together in fun and enjoyment to recognize accomplishments and successes and to show appreciation

SUPPORT

.We support people through empowerment, providing a safe and caring workplace and providing opportunities for personal and professional growth.

ACCOUNTABILITY

We are accountable, individually and collectively, to each other and to INSPIRE for our actions and for achieving our promises

DIGITAL LEARNING

We deliver technology based education across our programs.

OUR SERVICES

TECHNOLOGY BASED EDUCATION

Learning can happen anywhere and at any time. In addition, and largely due to the learning curves introduced by technological advancements and industries including entrepreneurship, learning isn't limited to educational settings. Within the educational realm, teachers are embracing new technological tools and using them within their teaching practice. These tools help contribute to new learning approaches and learning preferences.

EXPERTISED TEACHERS

Efficient team of highly qualified mentors/teachers.

EXPERIENTIAL EDUCATION

Experiential education is a philosophy of education that describes the process that occurs between a teacher and student that infuses direct experience with the learning environment and content.
