Material

- Power Point Game.

How to Play

This is a fun game that can be played with your whole group. Students will be shown two funny Valentine Days cards. They will choose which card they believe to be the best. This game is a game to get your group mingling and moving around the room.

Pro Tip:

Have fun questions ready for your students to answer between each slide. This could be a great way to get students to meet other in your room and have fun together.
