

**INTERPERSONAL CONNECTION
CHANNELS**

Connect one-on-one with parishioners through mailed notes, phone calls, facebook messenger, text, or email

Initiate chain/tree connections between congregants through mailed notes, phone calls, Facebook Messenger, text message, or email

Establish group communication channels via text messages, social media, or email, for example, GroupMe, Facebook or email groups

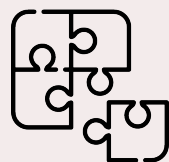

**FORMATION AND
GROUP MEETING PLATFORMS**

Host formation classes and group meetings as video conferences, using Zoom, Webex, GoTo Meeting, Facetime, or Google Hangouts

Record lessons or studies and upload recorded video to social media, email, and/or website

Publish resources and activities to website, email, or social media and ask congregants to participate at home

**LOW-TECH LITURGY AND
WORSHIP OPTIONS**

Direct congregants to the same livestream, hosted by another diocesan church

Publish bulletin to website, email, or social media and invite congregants to pray the liturgy at home at the same time

Lead the liturgy during a group video conference, using Zoom, Webex, GoTo Meeting, or Google Hangouts

Record the liturgy and/or homily and upload the recorded video to social media, website, or Facebook Premier
