1. LeadPages

<https://www.leadpages.net/>

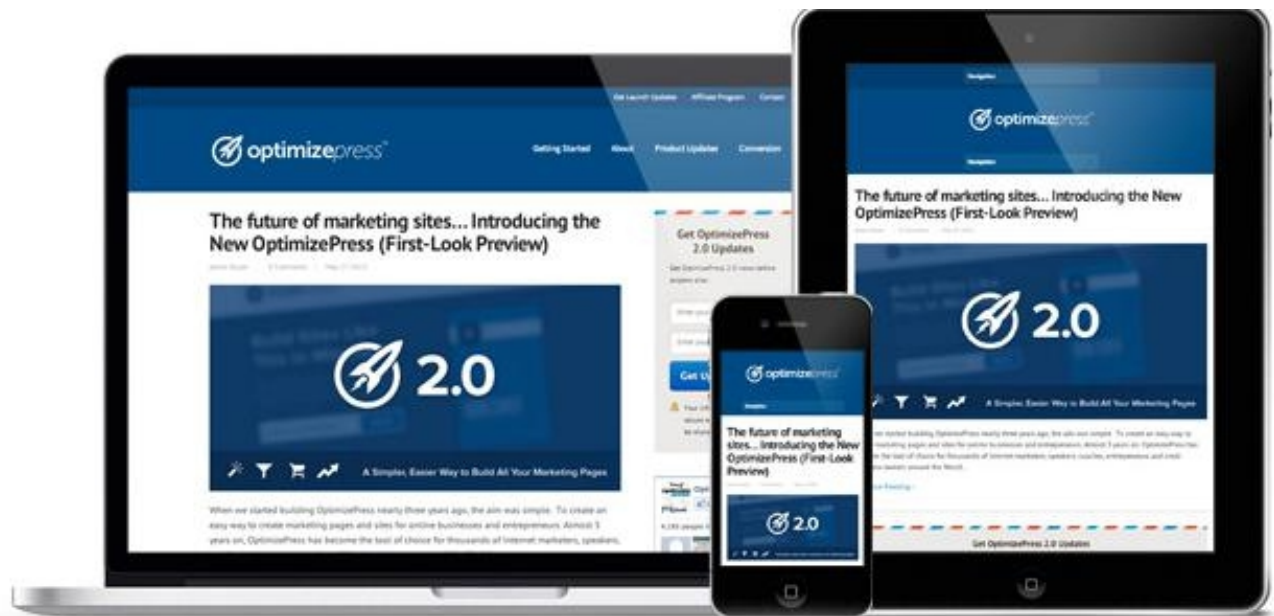

The screenshot displays the LeadPages website. At the top, the LeadPages logo is on the left, and navigation links for PRICING, FEATURES, INTEGRATIONS, TEMPLATES, and WEBINAR are in the center. A 'GET LEADPAGES' button is on the right. The main content area features a large image of the LeadPages landing page builder interface on the left, showing a sidebar with various widgets like Headline, Text, Button, Countdown, Image, Video, List, Table, HTML, Form, Social Share, Countdown, Social Like, Image + Text, Calendar + Text, and Progress Bar. The main canvas shows a preview of a landing page titled 'Elevate Course Page - 1' with a mountain background and the text 'Don't miss out. Sign up for the workshop today!'. To the right of the interface, the text reads 'The #1 Landing Page Builder' followed by a description: 'Leadpages generates leads and sales for your business on the web, in emails, via text messaging, and on social media. Meet the powerful tools that make it possible.' At the bottom right, there are two buttons: 'SEE A DEMO' and 'START BUILDING PAGES'.

Create just about any type of landing page.

16 Proven Ways to Get Better Opportunities Now (Part 1)

August 2, 2016 By Brian Carroll — [Leave a Comment](#)

When I've talked with marketers about their B2B lead generation results, I've heard statements like, "We're generating a ton of leads, but they aren't converting" or "We need to increase quantity" or "We need to generate more qualified sales leads."

Then you've likely shelled out good money for an online course or subscription that includes access to a forum.

And if you're anything like me, you eagerly devour the webinars, worksheets, and ebooks ... but avoid the forum, as you would the pee-smelling seat on the train.

A great article on how to generate leads from online forums
