INSTALLATION INFORMATION (WIRING)

This product must be installed in accordance with National Electrical Code(NEC) and/or applicable local codes, by a qualified electrician.

DANGER - RISK OF SHOCK - DISCONNECT POWER BEFORE INSTALLATION

- Flood Lights can be ordered with a specified plug or without a plug
- Make the necessary 'HOT' (Black or Brown), 'Neutral' (White or Blue), and 'Ground' (Green) connections in an approved junction box.

INSTALLATION INFORMATION

- If you are mounting fixture to brick, concrete or mortar; you will need to pre-drill the holes first.
- Use M6x80mm screws and washers through the two outer holes to mount fixture.
