

ENZYME CLEANER & DEODORIZER

PRODUCT DESCRIPTION

This product is a special blend of enzyme producing bacterial cultures and biodegradable surfactants and is extremely effective in odor control and degrading organic waste.

DIRECTIONS

Stain & Odor Removal: Saturate problem area with this product. Blot stains with a clean, dry cloth. In extreme cases like pet stains, place a towel moistened with product over the problem area to keep damp for at least 24 hours. Spray around areas such as trashcans, dumpsters and other areas where odors are a problem.

Restrooms: To deodorize urinals and toilet bowls, spray surfaces and surrounding area.

Drain Lines & Grease Traps: Depending on capacity, add 4 - 10 oz. of product daily by pouring into a sink or pipeline closest to trap.

Controlling Odors that Attract Fruit Flies: Soak soda spouts, beverage guns and liquor portion spouts for several minutes to eliminate sugar, fruit and alcohol residue. After mopping floors, soak mop heads, wring out and let dry.

Septic Tanks: Pour 8 oz. per week directly into toilet and flush.

Other Uses: See your sales representative for accurate dosing and directions.
