

KELUARGA MAHASISWA

Fakultas Kedokteran Universitas Padjadjaran

It all started more than 20 years ago, when Keluarga Mahasiswa Fakultas Kedokteran Universitas Padjadjaran was called as ' Senat Mahasiswa'. As time went by, the first-established 'Senat Mahasiswa' changed its name into 'BEM', and finally in June 27th, 2012 we got the name of 'Keluarga Mahasiswa' (Kema) after long discussions and considerations. In the same year, we welcome students from midwifery program and kema FK Unpad became more solid than ever.

INTRODUCING US

As an intracampus organization, Kema FK Unpad continuously tries it best to facilitate all students' activities in FK Unpad. We hope that we could provide the home where all FK Unpad students can develop their interest and talents. Kema FK Unpad proves it by adding extracullicular activities from 2 to 22 and by achieving lots of achievements in various fields.

We believe that to be a distinguished doctor, students will not only need an excellent knowledge but also an enormous soft skill. That's why we always encourage all students to participate in a lot of programs and events. By now, our students' activities have evolved a lot. Not only arranging national-scale programs, we also aim to arrange international-scale program next year.

We have a big hope to always bring FK Unpad's name forward through this organization. We hope that by developing KEMA FK Unpad, we can also put FK Unpad's name higher and improving nation's health. FK Unpad UNITE!
