Beltor QDS Heavy Duty Cable Winder with Fixed Legs

Beltor QDS Heavy Duty Winders are a unique product, designed specifically for the mining industry. A range of accessories makes this reliable QDS Heavy Duty Winder an implement with many applications. Choose from a Fixed Arm or Hydraulic Leg style.

Features :

- QDS or KAT Connection.
- Protection over gearbox.
- Easy to access controls.
- For use on Cable or Belt.
- Plant Safety File included with implement.

All Beltor products are **FULLY WELDED**, unless noted otherwise. A fully welded product means no water traps between members and plates that may encourage premature rust and reduce life of implement
