Choosing the best pathway for you:

Over the spring and summer term, we have been working hard to ensure you will continue on to the best route in education. Our Sixth Form now offers **three** pathways. They have been carefully tailored to meet the needs of those with different GCSE results and goals for the future.

Once you have received your GCSE results, our dedicated and trained Sixth Form team will meet with you to finalise your Sixth Form Pathway.

Remember, if you haven't quite made the grades – we are here to support you with a range of advice for the future.
