

SIRIO 600/1000

FREESTANDING DOUGH SHEETERS

COMIDA

Main Features

- Digital display to show the rolling thickness and ensure the most accurate adjustments
- Possibility of inverting the rolling direction by means of joystick and foot pedal
- The synchronized speed of the conveyor belts are fixed at a single speed.
- Removable flour tray for easy cleaning
- The plates can be closed, thus allowing to keep the machine size smaller, when not in use
- The machines are mounted on wheels for their easy displacement
