

## CRYSTAL CHORDS - JOINING PROCESS

- **Come along for a free taster evening**

Join in with our evening rehearsal and have a simple assessment to determine the voice part that suits you best.

- **Take a step**

Learn a short, simple song to sing the following week; an ability to learn quickly and hold your part with others is the one of the most important steps.

- **Become a trainee**

You will be issued with sheet music and given access to all learning materials; take part in all aspects of chorus life with the exception of formal performances, learning a handful of specific songs, paying only half subscriptions.

- **Audition for full membership**

An audition will take place within 8 weeks. You will be expected to confidently perform to our Music & Presentation team (in a small group) a couple of the songs you have learnt.

- **Become a full member**

Take part in all aspects of chorus life; pay full subscriptions, be issued with chorus outfits and be eligible to perform.
