

GAME BOOSTER

#RELATIONSHIPGOALS | LOVE SONGS

HOW TO PLAY

1. Make a playlist of love songs on a phone or music playing device.
2. One student wears headphones so only they can hear the song.
3. That student sings along with the song.
4. Two other students try to guess what song they are singing.
5. The first student to guess correctly will receive a point.
6. The student with the most points at the end is your winner.

HELPFUL TIP

Good headphones where the singer can't hear themselves sing, makes the game even funnier.

LOVE SONGS – OVERVIEW

The funny game allows one brave student to put on headphones and sing along with the song they hear. Two other students try to be the first one to guess the correct song. The first students to guess three correctly will be the winner.
