
Lift Them Up

Verse 1

I feel your spirit prompting my compassion,
Compel responses to another's need.
Grant eyes that see the helplessness and anguish.
Grant faith prepared to risk adversity.

Verse 2

The one who's grasping for the hand of life.
The helpless child whose death leaves family numb.
The sickly girl whose parents can't find healing.
The leper fleeing, outcast from his home.....

Chorus

You can lift them up, though life seems up against them.
You can lift them up by your Holy Spirit's power.
You can meet the need, though this might seem impossible.
Knowing your Spirit can set your people free.

Verse 3

The lonely person feeling deep depression.
The one who gambles all their life away.
The person imprisoned for their indiscretions.
Or one whose life feels empty every day.....

Chorus

Chorus

Lift them up, set them free
Lift them up.
