

Diesel Injector Cleaner

Marine 16's Diesel Injector Cleaner is a single treatment to remove harmful deposits in the fuel pump and injectors of diesel engines. Provides a cleaner, easier start, reduces emissions, improves fuel consumption and reduces and eliminates fuel line and injector deposits.

Application

1. Use a clean funnel to add directly to the fuel tank
2. Avoid contact with painted surfaces

Physical Characteristics

Appearance	Dark Red Liquid
Odour	Mild
Flash point	67°C (Pensky-Martens Closed Cup)
Shelf Life	Min 12 months at 20° C
Solubility	Insoluble in water
Density @ 15.6 °C	0.872 - 0.912

Dosage Rate

100ml treats 100 litres of fuel. Higher treatment rates may be effective at faster cleanup or with more heavily fouled injectors.

Packaging

Diesel Injector Cleaner is supplied in 100ml, 500ml, 1 litre, 5 litre and 25

Handling

Contains Hydrocarbons, C10-C13, n-alkanes, isoalkanes, cyclics plus 2-Ethylhexan-1-ol and hydrotreated heavy paraffinic. Special care should be taken in the handling and use of this product. Ensure there is sufficient ventilation in the area where Diesel Injector Cleaner is to be used. Protect from extremes of temperature.

Safety & First Aid

Keep out of reach of children. Toxic to aquatic organisms, may cause long-term adverse effect in the aquatic environment.

Harmful - may cause lung damage if swallowed. Repeated exposure may cause skin dryness or cracking. Vapours may cause drowsiness and dizziness. Do not breathe gas/fumes/vapours/spray in case of accident or if you feel unwell, seek medical advice immediately. (Show the label where possible.) Avoid contact with skin.

If swallowed, do not induce vomiting - seek medical advice immediately and show this container label.

Storage & Handling

Diesel Injector Cleaner should be kept in its original packaging. Store in cool, well ventilated area. Ensure the container is tightly closed. Keep away from direct sunlight.
