

Turmeric/ Curcumin/ Turmeric Oleoresins

E-Number : E100

C. I. No. : 75300

Alternative Names : C.I. Natural Yellow 3, TurmericYellow

Turmeric is extracted from the spice *Curcuma longa* L., a member of the ginger family. The root plant is native to India and is widely used to spice and color food.

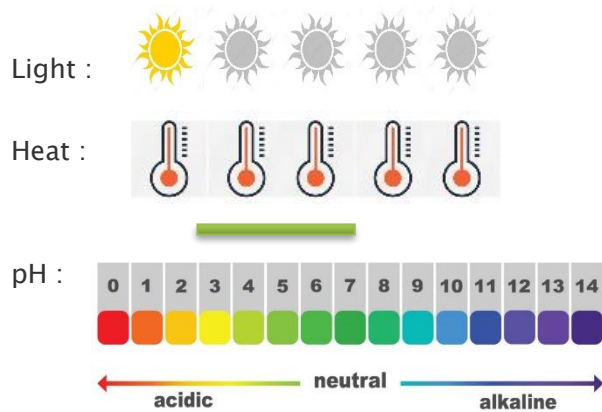

In addition to its coloring characteristics, Turmeric also displays anti-oxidant properties.

Turmeric has a bright yellow to greenish yellow hue and is very tolerant to heat and pH extremes.
