- 1 Colour these designs and decorate them. Cut them out, stick them on cardboard, one on each side. Stick one image upside down on one of the sides. Make the two holes as shown.

- 2 Insert two pieces of string, one into each hole.

- 3 Turn the card many times so the string is twisted.

- 4 Pull the string from both sides to make the card spin and see what happens to the image on the card as it spins.
