## Discussion Questions:

1. When we are criticized for what we believe, often our first reaction is defensiveness. But Daniel teaches us to trust God to defend us. What would that look like? Would you rather defend yourself or be defended by the God of the universe? Why? How can you develop trust that God will defend you?
2. Isaiah 43:2 says “*When you go through deep waters and great trouble, I will be with you. When you go through rivers of difficulty, you will not drown! When you walk through the fire of oppression, you will not be burned up—the flames will not consume you.*” Talk about a difficult time when you felt God’s presence and you knew, without a doubt, that he was right there with you in the fire.
3. What are some things God has “burned off” from your life? Why do you think he did that? How have you been different since then? How have your priorities changed?
