

Rochester Duplicate Bridge Club

July 11, 2018

Board Member Attendees: Ann Van Ryn, Bob Roediger, Mary Foss, Deb Ernster, Sharlene Owens, Arne Fockler, Terri Seeger, Trish McCleese, Tom Grigoleit, Sue Greenberg as club manager, Judy Argue as Treasurer

Meeting called to order by President Ann at 10:58 AM

June minutes were approved by Trish, and seconded by Terri

Treasurer's report for May was presented and approved pending audit. Motion: Mary moved, seconded: Tom

Presidents report:

- The Alzheimer's Longest Day was a huge success. Thanks to Sue Greenberg and Betty Shidler. Donation details were in the last newsletter.
- ARC Charity game to be held on July 30th is well organized with 3 or 4 teams so far. Decks of cards and info to be given out at the tee sponsored by the Bridge Club and volunteers.

Club Manager report:

- A date will be set for the CPR Refresher course and will be announced. Sue to ask for a list of all in the club that are CPR trained, and may be interested in this refresher.
- Special Games were discussed. Last month's motion (2 per session per month) referred only to "fund games". In addition, there are other games that may be scheduled per session. Some examples are Club Championships, Unit games, Instant Matchpoint, Educational Fund games, GNT Swiss team qualifiers, StaC games, Jane Johnson Club Appreciation games (only in October), ACBL-wide games that fall on our game days, possible REACH tournaments, The Longest Day special charity games, Club Membership games, our local charity games (in December). No changes to the calendar at this time.
- Mentoring /Education

Greg's class is finishing. Mini lessons will return in the fall.

Chat bridge: Arne and John are working on a survey for Chat Bridge participants

Suggestion: to be split into two groups of a very new beginner and a not so new beginner.

- Social: Maybe a sub-committee could be formed to plan the birthday parties and the achievement parties.

A summer picnic to be held as an open house when we have a new lease.

Old Business: the new facility

Dick Argue was in attendance to update us on the new side of the building. The inspector will approve the building for

the occupancy rating. That will be done after all the work is finished, which is counter, tile in ceiling, doors, air conditioning, etc.

A new lease is being negotiated with Ann, Sue and Bob on the committee.

New business: none

Motion to adjourn by Shar, seconded by Arne at 11:55

Respectfully submitted by Shar Owens, Secretary.
