

**Speak Lord
Help Me Hear Clearly**

1 Samuel 3:10
[10] The LORD came and stood there, calling as at the other times, "Samuel! Samuel!" Then Samuel said, "Speak, for your servant is listening."

When the Lord Speaks What Are You Hearing...

There are two basic attitudes or tones that we hear when God is speaking.

- 1. Redemptive
- 2. Corrective

What we hear depends upon our location.

- 1. *We need to be physically present...*

- 2. *We need to be mentally present...*

- 3. *We need to be Spiritually tuned in...*

**Speak Lord
Help Me Hear Clearly**

To determine how we're doing let's take a Spiritual hearing test.

- 1. How much time did you set aside for God this week?
(Physically Present) _____

- 2. What did you read, listen to, or talk about that made you think about God? (Mentally Present)

Read

Listened

Talked

- 3. What did you thank God for, and what did you ask for forgiveness for? (Spiritually Tuned In)

Thanksgiving

Forgiveness

Doing these things clean the Worldly Wax out of the ears of your spirit so you can hear God more clearly.
