

Rutgers Gymnastics Summer Camp 2017

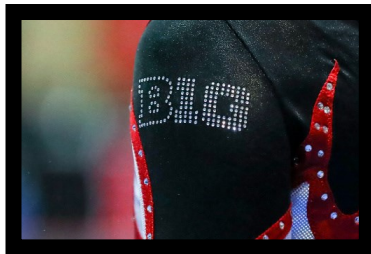

July 9-12, 2017, Rutgers University Gymnastics program presents the Scarlet Knights Gymnastics day summer camp. The camp is offered to female gymnasts ages 7-17.

Our staff sets forth to provide campers with safe, fun and daily instructional gymnastics programming to better develop them as gymnasts. Gymnasts have the opportunity to work with collegiate level coaches and gymnasts in a fully equipped facility, the Livingston Recreation Center.

Aside from hard work and skill development in the gym, there is time for daily activities, goal setting and bonding with fellow campers.
