

Current Cabinet Ministers of India with Full List

According to the Indian constitution, the **prime minister of India** is appointed by the president after the **election result of the Lok Sabha** (Lower house of the parliament) and all council of ministers are appointed by the president with the advice of the prime minister.

To become the prime minister, one has to be a member of the parliament (**Lok Sabha** or **Rajya Sabha**) and must have 272 or more votes in his favor in Lok Sabha. The term period for prime minister is 5 years for further continuation, the political party has to won again with a clear majority. There is no limit on how many times a person can be the Prime Minister. The prime minister is the chairperson of the cabinet. The cabinet ministers, deputy ministers, ministers of state with independent charge, ministers of state working with the **cabinet ministers** and other ministers are assisted by the prime minister.
