

WHERE'S JESUS

||

Material

- Printed Photo
- Pens for Every Student

How to Play

Hand out printed pictures to each student. Make sure it is face down and they do not turn their paper over until the game begins. Once you start the game students must find the character representation of Jesus, seen above, in the photo. Make sure you show the graphic above so students know what they are looking for. The first student to circle Jesus and run it up to the front of the room is the winner.

Pro Tip:

You can have the photos in the students' chairs face down and play this game to start your night off. This can be a fun simple game to get everyone involved.
