PROFILE

Myself, P. D. Rai, I belong to Mandi Gobindgarh (also known as the steel town of India). I have more than 30+ years of experience in iron & steel manufacturing. We are currently based at Bhavnagar (Gujarat).

We provide complete solution for the erection and commissioning of steel rolling plants on a turnkey basis.

Our Services are as following:

- Preparation of conceptual layout for rolling mill
- Study of various alternative layouts
- Process selection, equipment selection and integration
- Expert evaluation and introduction of new technologies
- Basic and detail engineering
- Preparation of technical specification for procurement
- Procurement of Quotations from reputed machinery manufactures
- Manufacture, Inspection and Expediting manufacturing
- Site supervision for erection and commissioning
- Project monitoring etc.
