

MORE OR LESS

SUPPLIES

All you'll need is the attached game slides and a way to project them!

MODIFICATIONS

Try having students face off in small groups or use this as an opportunity to have students onstage.

HOW TO PLAY

Students will be shown a biblical number, and they must guess if the number is actually "more" or "less" than what is onscreen. The team that correctly guesses the most wins!

NEXT LEVEL

Get the whole room to participate by playing this game elimination style. Students will stand and answer questions by giving a thumbs up (more) or thumbs down (less). If they answer incorrectly they sit down. Last one standing wins!
