

El Alsson American Elementary School Character Education Curriculum Overview 2014-2015

We, at El Alsson American Elementary School, believe that home and school should work together to build and develop the character of all children. With the adoption of this Character Education Curriculum we encourage the school and home communities to become involved and share in the development and operation of a functional educational program for all citizens. This character education curriculum stresses the qualities of patriotism, responsibility, citizenship, charity, kindness, respect, honesty, self-control, tolerance and cooperation.

SCHOOL-WIDE CHARACTER EDUCATION

Each month a character trait will be prominently displayed throughout the Elementary school. Each trait will be displayed on the bulletin board in the hallway near the ICT lab and technician's office leading to and from the elementary school; this will include student work from all grades. Displays will be encouraged in the reception areas, learning support, the gym, hallways and all classrooms.

The monthly character traits are:

- September – Kindness
- October – Self – Control
- November – Respect for Authority, Self and Others
- December – Honesty
- January – Patriotism
- February – Citizenship
- March – Responsibility
- April – Tolerance
- May – Cooperation
- September – June - Charity
