Sample Knitter Application

HELLO!!

Thank you for your interest and willingness in helping Gregoria Fibers as a sample knitter, I really appreciate!

I'm always looking for sample knitters regularly throughout the year to create samples for my new yarns and colourways. I provide all of the yarn and pay for all the shipping to and from (receipt needed). All the finished samples are to be property of Gregoria Fibers.

I'll provide you as a compensation some of my yarn once the sample is finished and received.

If you are interested in becoming a sample knitter for Gregoria Fibers, please flip through to the last page for all the application details and fill out the application and return via e-mail to hello@gregoriafibers.com

I look forward to reviewing your application and will send you details about future project I'd like to collaborate with you.

I'd love to hear more about you!
