

WHAT'S IN THAT ROLL?

SUPPLIES

All you'll need is the attached game slides and a way to project them!

MODIFICATIONS

Try having students face off in small groups or use this as an opportunity to have students onstage.

HOW TO PLAY

Students will have to guess which of the crazy ingredients onscreen is not in the pictured sushi roll. If they answer correctly, they will get a point, and student/group with the most point at the end of the game wins!

NEXT LEVEL

Get students moving by designating areas of the room to coordinate with their response– where they stand in the room is their answer to the question! Bonus points if you bring sushi for students to try!
