

Dine Out, Fight AIDS

## Be an Ambassador for Dining Out For Life

On Thursday, June 7, 2018, restaurants across South Louisiana will participate in the 28th Annual Dining Out For Life (DOFL), a fundraiser for the NO/AIDS Task Force. The restuarants donate a percentage of their sales to support the more than 30 programs that we offer.

A PARTNERSHIP FOR LIFE

### What Ambassadors Do:

- Invite family and friends to your restaurant
- Welcome and thank diners
- Answer questions
- Encourage donations
- It is an easy one-time opportunity
- No need to have volunteered before
- Simple 1.5 hour training provided
- Work in pairs, if needed

### Ambassador Buddy

Some restaurants and meal times work best with two Ambassadors. Sharing the experience with a friend can make the day more enjoyable and ease the pressure of working a busy restaurant. If you have a Buddy to volunteer with, include their information below.

My Buddy's info is listed below

I don't have a Buddy yet, but I'm looking and will let you know that person's info.

I don't have a Buddy, and I understand I will likely be working on my own

The person listed below won't be working with me, but would make a great Ambassador

Buddy's name(s) \_\_\_\_\_ Relationship to you \_\_\_\_\_

Their Phone: \_\_\_\_\_ Their Email \_\_\_\_\_

### Training Times

All Ambassadors (and preferably Buddies) must attend a training, where they will pick up their materials and learn how to work the event. Training locations will be emailed to those attending. Please attend the earliest training that fits your schedule.

Check the training you would like to attend.

Tuesday, May 29, 6pm-7:30pm

Wednesday, May 30, 6pm-7:30pm

Thursday, May 31, 1pm-2:30pm

I can not make any of these training times. Please contact me to discuss further.

### Other DOFL Volunteering

We would appreciate your help with some other volunteer tasks related to DOFL. Check all that may interest you.

Visibility Campaign: Attend events, distribute flyers and other marketing materials. Can be one -time or ongoing.

Photography: Take pictures using your camera or phone on the day of DOFL. (Note this often conflicts with being an Ambassador).
