A DIFFERENT ME ♦ SAME GOD

ADMSG

This Audio Art Paints A Musicality That Displays A DIFFERENT ME...
Yet Writing & Singing About The SAME GOD I've Always Wrote & Sung About.

This Round, "I'm Not Trying To Do What I've Done Before... I'm Just Doing What I
Had Not Allowed Myself To Do",

And That Is... Express More Of Me Than I Ever Have!

It is people as yourself whose encouraging heartfelt words and deeds left an indelible mark on and in me. Moreover, times when my insecurities swell up, it's thoughts of any of you that often move in my spirit that keeps me going.

I'm thankful for God purposing you in my life to fuel my musical purpose when I run low.
