## FALL 2018 — PART 2

### Media Release

Monday 3<sup>rd</sup> September

This week Kowtow launch part two of their Fall 2018 collection. The collection consists of fresh and playful looks in perfect Fall colours: burnt orange, mustard stripe, light pink and army green.

Key pieces include: Just Love Shirt, Technique Dress and Casting Pant.

Made from 100% certified fairtrade organic cotton, Kowtow collections and Building Blocks offer the foundations of an ethical and sustainable wardrobe.

Kowtow fabrics and prints are designed in-house and printed using Global Organic Standard (GOTS) approved methods and water based inks, which are free from harmful chemicals and have a low environmental impact by ensuring sustainable use and treatment of water.

Kowtow is internationally established with showrooms in New York, London, Sydney and Auckland. The latest collection will be available from Thursday 6th September 2018 across 250 retailers worldwide in North America, Europe, Asia, Australia, New Zealand and online at [us.kowtowclothing.com](http://us.kowtowclothing.com)
